

Math Resources

Many math resources can be found in the Library. **Math videos, textbooks and solution manuals can be checked out at the Circulation desk** for use within the Library.

Check out Pro-Quest Online for journals such as:

American Mathematical Society Bulletin
Mathematical Association of America
Mathematical Thinking and Learning
Mathematics and Computer Education
Mathematics Magazine
Mathematics Teaching
Mathematics Week
The Mathematics Teacher

For more help, search the Internet for the following math websites:

Loci, the online publication of the Math Sciences Digital Library at
