

ACC Library *Research Guide*

Sociology Resources

Start your research at the ACC Library homepage arapahoe.edu/lrc

- > **Find books:** click Aquabrowser or Traditional Catalog.
- > **Find ebooks (NetLibrary):** click Online Books (for off-campus use, must register on an ACC computer first).
- > **Find journal articles:** click Databases (see passwords on right side of this page).

> **Location of sociology resources in library:** In general, sociology resources can be found in the **HM** section of the library. Social history and social problems resources can be found in the “**HN**” section, resources on women and family in the **HQ** section, and resources on communities, class, and race issues in the **HT** section. The circulating **H** sections are divided between the 1st and 2nd floors of library. **H-HN** are found on the 1st floor, **HQ-HX** on the 2nd floor.

Some Library of Congress (LC) classification system subject headings for library catalog searching:

(These terms will yield the best results when used in a **subject** search)

crime—sociological aspects	social history
culture	social networks
