

New Student Orientation Schedule

A New Student Orientation ***must*** be completed prior to registration if a student has never attended any college AND has declared a major at ACC. A hold will be placed on a student's registration account preventing students who have never attended any college AND have declared a major at ACC. This hold will prevent a student from registering and will only be removed upon the completion of a New Student Orientation. New Student Orientations are optional, but encouraged, for all other students.

The New Student Orientation requirement can be satisfied in one of two ways:

- Attend a New Student Orientation Advising Session in Room M2030
 - To secure a spot in the New Student Orientation Advising Session, please contact the Advising office – 303.797.5664
- Complete the Online New Student Orientation
 - Contact michael.mcmanus@arapahoe.edu for Online New Student Orientation log-in information. Please include your Student ID in the email.
