**Student Handbook (2020 - 2021)**

This handbook exists to help Students understand college processes and to identify and locate services available through ACC. The Student handbook is only one of the many resources available. Although we strive for accuracy, this handbook should not be considered an expressed or implied contract between ACC and any current or prospective Student.

**Important Notes and Disclaimers**

As the circumstances evolve regarding COVID-19 and its impact on ACC, we continue to adjust so that we may serve our students and community. At the time of this publication, August 2020, and with Safer at Home orders from the Governor’s Office, all ACC Campus buildings will have limited access by the public. The campuses are open to essential employees and for students in specific courses or academic programs approved by the CDHE. All campuses have testing and computer labs open by appointment only.

This Student Handbook (Handbook) contains pertinent information affecting students, current through the date of its issuance. To the extent that any provision of this Handbook is inconsistent with State or Federal law, State Board for Community Colleges and Occupational Education Policies (BPs) or Colorado Community College System Procedures (SP’s), the law, BPs and SPs shall supersede and control. BPs and SPs are subject to change throughout the year and are effective immediately upon adoption by the Board or System Chancellor, respectively. Students are expected to be familiar with and adhere to the BPs, SPs as well as College directives, including but not limited to the contents of this Handbook.

To access BPs and SPs, see the [Colorado Community College System](#) website.

Nothing in this Handbook is intended to create (nor shall be construed as creating) an express or implied contract or to guarantee for any term or to promise that any specific process, procedures or practice will be followed or benefit provided by the College. The College reserves the right to modify, change, delete or add to the information in this Handbook as it deems appropriate.

Due to anticipated changes in applicable Title IX laws, the policies and procedures described in this Handbook may require updating after publication. Updated policies and procedures will be posted on the [ACC Sexual Misconduct](#) webpage.

Accessibility

ACC is committed to creating an inclusive environment that is fair, equitable and accessible. All areas of our college will actively work to ensure that learning materials, electronic and information technology (EIT), policies and procedures, and public communications meet and/or exceed Web Content Accessibility Guidelines (WCAG) 2.x and are compliant with the following:

- Section 504 of the Rehabilitation Act
- Section 508 of the Rehabilitation Act (2016 Refresh)
- Americans with Disability Act (ADA)
- ADA Amendments Act (ADAAA)

All campuses, departments and stakeholders are responsible for ensuring that access to their web content, applications and software meet the applicable requirements for accessibility.

At the time of publication, the Fitness Center is available for Students by appointment, see Navigate for details and scheduling.

The Fitness Center has Life Fitness, PreCor, Free Motion, Star Trac, and Nautilus equipment. There are free weights available, as well as popular workout equipment including TRX training straps, Bosu training and Fitballs. Generally, a basketball court is available for during posted times. At the time of publication the basketball court if closed. Contact the Fitness Center for details and hours of operation. Private rooms are available on all campuses. In the Main Building on the Littleton Campus, Students who wish to access these rooms can visit Campus Police M2600 to obtain swipe card access. For the Parker and Castle Rock Campuses, please contact the front desk for availability and access.
Mandatory Reporting for Sexual Harassment or Discrimination

ACC is committed to preserving a safe and welcoming educational environment for all Students. As part of this effort, ACC employees have an obligation to report certain issues relating to the health and safety of campus community members. They must report to the appropriate College officials any allegation of discrimination, discriminatory harassment, retaliatory harassment or sexual misconduct. Sexual misconduct includes sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse and sexual exploitation.

In addition to reporting all discrimination and harassment claims, employees must report all allegations of dating violence or domestic violence, child abuse or neglect, and/or credible threats of harm to self or others. Such reports may trigger contact from a College official who will want to talk about the incident shared. In almost all cases, it will be the Student’s decision whether they wish to speak with that individual.

To obtain more information, Students may reach the Title IX/EO Coordinator, Angela Johnson at angela.johnson@arapahoe.edu or 303.797.5715 or the Deputy Title IX/EO/ADA Coordinator at jennifer.husum@arapahoe.edu or 303.797.5674. Reports to campus law enforcement can be made at 303.797.5800.

To access a confidential resource, please contact the Dean of Students Office who can connect our Students to free on or off campus counseling resources. Students can also contact The Blue Bench at 303.322.7273.

Preferred Name

Records and Enrollment Services, 303.797.5621
Main Building, Littleton Campus Room M2480, records@arapahoe.edu

Some Students are known by a first name that is different from their legal first name. Students can provide their preferred name on the application for admission. If a Student does not provide a preferred name on the application, they can add one to their record at any time by contacting Records and Enrollment Services. No documentation is required.

While anyone is welcome to use a preferred first name, there are several groups of people for whom this option is invaluable. For example, some students are known by a middle or family name, transgender students use a preferred first name prior to or without pursuing a legal change of their first name, and many international students may also find this option helpful.

Once the preferred name is updated in Records and Enrollment Services, it will be used in Desire2Learn (D2L), class rosters, Student Photo ID cards, Navigate, and reader cards at commencement. Preferred name is not used on the college diploma, commencement program, ACC transcript (official or unofficial), Student email, refund card, Financial Aid records, student network accounts or enrollment reporting data.

Religious Observance

ACC Instructors and Faculty are encouraged to make every effort to be reasonable when it comes to religious observances. If a Student has a conflict with course assignments, exams, or attendance due to a religious observance, Students should speak with their Instructor or Faculty as soon as possible at the beginning of the term. If a Student is looking for a private room for prayer, Campus Police will provide swipe card access to one of the three private rooms on the
Littleton campus. Students can contact the front desk for a private room on the Parker and Castle Rock campuses.
Concerns and Safety

Campus Police

303.797.5800
Main Building, Littleton Campus, M2600, campus.police@arapahoe.edu

ACC has a Police Department located on the Littleton Campus. The Campus Police Department provides services to protect and serve the entire College community. Campus Police officers are fully commissioned Peace Officers certified under Colorado POST, with full law enforcement powers, including arrest, provided to them by Colorado Revised Statute, Title 24, Article 7, Part 1. Campus Police officers have the same enforcement powers as any city or state police officer and have jurisdiction in the buildings and on the property owned and leased or otherwise controlled by the College. This includes the city streets that run through and are adjacent to the campus properties. All police activity on campus is coordinated through this department.

Officers are available seven days a week during hours when campuses are open to the public. Immediately report any crime, medical problem, accident, suspicious person(s) or activity to the Campus Police. If there is no immediate response, call 911. For complete information about the Campus Police Department, parking requirements, crime statistics under the Clery Act, emergency reporting and other important information, visit the Campus Safety page.

The Campus Police are concerned with the perception of how they perform their job. Questions, comments and concerns may be left 24 hours a day 7 days per week on 303.797.5801.

Complaints or Grievances

Dean of Students Office, 303.797.5730
Main Building, Littleton Campus, M2720, acc.dos@arapahoe.edu

Students should always bring forward concern to the appropriate resource in order for ACC to best be able to assist the Student. Students are encouraged to speak directly with the person or office/department where they have a concern, when appropriate and possible.

Academic or instructional concerns, such as grading or course processes found in the course syllabus, should be directed initially to the Instructor or Faculty of that course. A Student could choose to escalate the concern beyond the Instructor or Faculty by contacting the appropriate Academic Department or Program Chair, Program Director, or Instructional Dean. Please note, CCCOnline teaches some online courses available to ACC Students. The follow up on academic concerns taught through this entity should be directed to CCCOnline.

Students also have an opportunity to present an issue which they feel warrants action, including the right to secure educational benefits and services, where they feel a policy or procedure has been violated and they are personally impacted by the violation or inequitable action. This process is the Student Grievance Procedure (SP4-31). If the basis of a concern is discrimination and/or harassment based on federal or state civil rights laws, a grievance may be filed under the Civil Rights Grievance and Investigation Process (SP4-31a).

Daily Crime Log

Campus Police, Records Custodian
campus.police@arapahoe.edu
As required under federal law, ACC Campus Police maintain a daily crime log or police blotter. This log is available at the ACC Police Department located at the Littleton Campus which is normally updated each business day and contains all crimes reported to the ACC Campus Police. The daily crime log is a secondary means of distributing information to the ACC community about crimes and crime trends on campus. The Crime Log entry includes all crimes reported to the Arapahoe Community College Police that occur within the Arapahoe Community College jurisdiction. The log records the nature, date and time reported, date and time occurred, general location and disposition of each offense. The crime log can be requested at any ACC Campus by visiting with Campus Police or by emailing the Records Custodian.

**Emergency Messages**

Campus Police, 303.797.5800
Main Building, Littleton Campus, M2600, campus.police@arapahoe.edu
There is no paging system at ACC, however emergency message delivery can be provided by the Campus Police. Although staff cannot divulge a Student’s location, they will make every effort to locate a Student with an emergency. To assist in locating a Student in case of emergency, Students should consider giving a copy of their schedule to their daycare providers, child’s school or significant others who may need that information.

**Emergency Phones**

Campus Police, 303.797.5800  
Main Building, Littleton Campus, M2600, [campus.police@arapahoe.edu](mailto:campus.police@arapahoe.edu)

Code Blue emergency Phones are in place at all ACC Campus locations. During business hours these phones ring to the ACC Campus Police Department. After normal Campus Police office hours, the emergency phones transfer to the Littleton Police, Parker Police and Castle Rock Police Departments. Use these phones to report a crime, suspicious activity or person(s), a vehicle problem, or to request an escort. Look for the blue light in the parking lot, proceed to the phone and push the red button on the faceplate. An emergency services person will answer. The Littleton and Parker campuses are equipped with phones in the classrooms and conference rooms. Reach the Campus Police Department by pressing 5800 or 5911 on a campus phone; if no immediate answer, hang up and press 9-911.

**Safety Escort Services**

Campus Police, 303.797.5800  
Main Building, Littleton Campus, M2600, [campus.police@arapahoe.edu](mailto:campus.police@arapahoe.edu)

Campus Police Officers will assist ACC community members with safety escorts to a car or from one building to another. Everyone is encouraged to ask for help or a safety escort if a situation makes them feel afraid or threatened. Anything that creates fear is a legitimate reason for contacting the Campus Police Department. Service can be accessed by coming directly to the Police Department, Room M2600 on the Littleton Campus, or by dialing 5800 from any campus phone or 303.797.5800 from a cell phone. On the Parker and Castle Rock Campuses ask for an escort at the front desk.

Main Building, Littleton Campus, M2600, [campus.police@arapahoe.edu](mailto:campus.police@arapahoe.edu)

Campus Police Officers will assist with vehicle jumpstarts and unlocks. Services can be accessed by coming directly to the Campus Police Department, Room M2600 on the Littleton Campus, or by dialing ext. 5800 from any campus phone or 303.797.5800 from a cell phone. **Extenuating Circumstances Appeals**

Dean of Students Office, 303.797.5730  
Main Building, Littleton Campus, M2720, [acc.dos@arapahoe.edu](mailto:acc.dos@arapahoe.edu)

In general, a Student may receive a tuition refund only when courses are dropped by the drop date of the course (the add/drop deadline). However, in truly severe circumstances, including but not limited to a natural disaster, serious medical condition or death of an immediate family
member, ACC may consider providing tuition credit back to the Student for the impacted semester. Failing to drop by the deadline or not attending class does not release a Student from financial responsibility and is not an extenuating circumstance. For more information, contact the Dean of Students Office and/or fill out the appropriate extenuating circumstances form(s).

Refer a Concern

Dean of Students Office, 303.797.5730
Main Building, Littleton Campus, M2720, acc.dos@arapahoe.edu

If an ACC Community member is unsure where to go with a concern or issue, please refer a concern via the ACC website to the ACC Care Team. The Care Team includes professionals from across the College committed to being caring, private resources and, when necessary, to provide referral to services to assist a Student, Faculty or staff member. The Team's role is to determine effective ways for addressing concerns and identifying the individuals through ACC that can help. Emergencies should be reported to Campus Police or local law enforcement, 911.

School Closures

303.797.4222

Students are expected to adhere to the Student Code of Conduct (AP4-30a) and the procedures of ACC and the Colorado Community College System (CCCS). The Student Code of Conduct is built on the principles of respect and equity to maintain and support the academic environment at ACC. It is the responsibility of each Student to be a responsible member of the ACC community by reading and complying with the published policies, procedures, rules and regulations of the College and Community as outlined in this Student Handbook, the College Catalog and other official materials.

If there is an allegation of a student violating the Student Code of Conduct, the Dean of Students Office will follow the established Disciplinary Procedures (SP4-30), which will provide a student notice of the alleged violation and an opportunity to be heard regarding the allegations. Possible sanctions are listed in the Disciplinary Procedures.

Each ACC campus provides computers and internet access for Student use during posted hours.

The Computer Use and Electronic Community Policy (BP3-125) contains the governing philosophy for regulating Faculty, Student, and staff use of the System's computing resources. It spells out the general principles regarding appropriate use of equipment, software, networks and data. In addition to this policy all members of the CCCS community are also bound by local, state, and federal laws relating to copyrights, security, and other statutes regarding electronic media. The CCCS has the right to monitor any and all aspects of its computer and telecommunications systems including employee email, voicemail, and file structures on any CCCS system. CCCS' right to monitor its computer system and telecommunications equipment includes, but is not limited to, monitoring sites users visit on the internet, monitoring chat groups and news-groups, reviewing material downloaded or uploaded by users, and reviewing email sent and received by users.
