

Student Handbook 2025 – 2026

Welcome to Arapahoe Community College!

College is a fun and exciting time in a student's life! One way to navigate this journey is to know about your responsibilities and resources as a student and what obligations ACC has to you. Asking questions and making connections with ACC is a good way to stay on track to achieve your goals. This Handbook exists to help you understand college processes and identify and locate services available through ACC. The Student Handbook is only one of the many resources available! Please note that this Handbook does not address specific academic program requirements that may be listed in separate program guides or handbooks. Although we strive for accuracy, this Handbook can change and should not be considered an expressed or implied contract between ACC and any current or prospective student. ACC reserves the right to modify, change, delete, or add to the information in this Handbook as it deems appropriate.

Arapahoe Community College's website (www.arapahoe.edu), including the *myACC* portal and *Navigate*, has the most current information you need to accomplish your academic goals. For any additional questions about the Student Handbook, don't hesitate to contact the Dean of Students Office at 303.797.5730 or acc.dos@arapahoe.edu.

Important Notes and Disclaimers

This Student Handbook contains pertinent information for students, current through the date of its publication. To the extent that any provision of this Handbook is inconsistent with State or Federal law, State Board for Community Colleges, and Occupational Education Policies (BP), Colorado Community College System Procedures (SP), or Arapahoe Community College Procedures (AP), the law, BP, SP, or AP shall supersede and control. The BPs, SPs, and APs are subject to change throughout the year and are effective immediately upon adoption by the State Board, System Chancellor, or College President. Students are expected to adhere to the BPs, SPs, APs, and College directives, including but not limited to the contents of this Handbook. To access BPs and SPs, see the Colorado Community College System (CCCS) website (www.cccs.edu). The access APs, see the Arapahoe Community College website (www.arapahoe.edu).

Accessibility

All areas of ACC actively work to ensure that learning materials, electronic and information technology (EIT), policies and procedures, and public communications meet or exceed Web Content Accessibility Guidelines (WCAG) 2.X AA standards and are compliant with the following:

- Section 504 of the Rehabilitation Act
- Section 508 of the Rehabilitation Act (2016 Refresh)
- Americans with Disability Act (ADA)
- ADA Amendments Act (ADAAA)

All campuses, departments, and stakeholders are responsible for ensuring that access to their web content, applications, and software meets the applicable requirements for accessibility.

Counseling Services

303.797.5730

Main Building, Littleton Campus, Dean of Students Office, M2720,
counseling.services@arapahoe.edu

ACC offers confidential [Mental Health and Counseling](#) to students. This service is provided through student fees with no additional charges to students. The maximum number of counseling appointments per student is limited annually. ACC is also partnered with *Bettermynd* for tele-mental health appointments. Please contact Counseling Services for a remote or in-person appointment and availability. For information on the website for more details, please go to [If you are in Colorado and need mental health support](#), please reach out to the Colorado Crisis Services at 1-844-493-TALK (8255).

Fitness Center

303.797.5850

Fitness Center hours of operation may vary by semester. Contact the [Fitness](#)

[Center](#) for more information or look up dates online.

Wellness Room

Private rooms are available on all campuses. In the Main Building on the Littleton Campus, Students who wish to access these rooms can visit The ACC Dean of Students Office. These offices serve as resources for determining need, granting access, and assessing use. For the Sturm Campus, please contact the front desk for availability and access.

Mandatory Reporting for Sexual Harassment or Discrimination

ACC is committed to maintaining a safe, inclusive and welcoming educational environment for all students. As part of this commitment, ACC employees are considered mandatory reporters and are required to report certain concerns that may impact the health and safety of campus community members of the campus community. Employees must report to the appropriate College officials any allegation of discrimination, discriminatory harassment, retaliatory harassment, or sexual misconduct. Sexual misconduct includes sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, and sexual exploitation.

In addition to reporting all discrimination and harassment, employees are also required to report all allegations of dating violence or domestic violence, child abuse or neglect, or credible threats of harm to self or others. These reports may result in outreach from a college official who may request to speak with the student about the incident. In most cases, it is up to the student to decide whether they would like to participate in that conversation.

For more information, Students may contact Angela Johnson, Title IX/EO Coordinator, at angela.johnson@arapahoe.edu or 303.797.5715; Kathryn Mahoney, Dean of Students, Kathryn Mahoney at kathryn.mahoney@arapahoe.edu or 303.797.5674. Hector Sambolin, Jr., Associate Dean of Students and Deputy Title IX Coordinator, at hector.sambolinjr@arapahoe.edu or 303.660.7240

Reports may also be made directory to Campus Police at 303.797.5800.

If a student wishes to speak with someone confidentially, they may contact the Dean of Students Office for assistance in connecting with counseling resources. Additionally, The Blue Bench is available as a confidential resource and can be reached at 303.322.7273.

Preferred and Chosen Name

303.797.5621

Littleton Campus, Records and Enrollment Services, records@arapahoe.edu

Some students are known by a first name different from their legal first name. Students can provide this name on the application for admission. If a student does not provide this name on the application, they can add one to their record at any time by contacting Records and Enrollment Services. No documentation is

required.

While anyone is welcome to use a preferred first name, there are several groups of people for whom this option is invaluable. For example, some students are known by a middle or family name. Transgender and non-binary students may identify a chosen first name before or without a legal name change. Many international students have also found this option helpful.

Once the preferred name is updated in Records and Enrollment Services, it will be used in Desire2Learn (D2L), class rosters, Student Photo ID cards, and *Navigate*. Preferred names may also be used for the college diploma, reader cards at commencement, or the commencement program at the student's request. Preferred name is not used on ACC transcript (official or unofficial), Student email, refund card, Financial Aid records, student network accounts, or enrollment reporting data.

Religious Observances

ACC Faculty and Instructors are encouraged to make every effort to be reasonable regarding religious observances. If a student has a conflict with course assignments, exams, or attendance due to religious observance, students should speak with their Instructor or Faculty as soon as possible at the beginning of the term. If a student is looking for a private room for prayer, contact the Dean of Students Office. Students can contact the front desk for a private room on the Sturm campus.

Concerns, Behavior, and Safety

Behavioral Expectations and Code of Conduct

Dean of Students Office, 303.797.5730, acc.dos@arapahoe.edu

Students are expected to follow the Student Behavioral Expectations and Responsibilities Resolution Procedure (SP4-30a). These expectations or Codes of Conduct are built on the principles of respect and equity to maintain and support the academic environment. Students are expected to follow the reasonable expectations established in classrooms and offices. Each student is expected to be a responsible member of the ACC community by reading and complying with the published policies, procedures, rules, and regulations of the College and Community as outlined in this Student Handbook, the College Catalog, and other official materials.

If there is an allegation of a student violating college expectations, the Dean of Students Office will follow established procedures which will provide a student notice of the alleged violation and an opportunity to be heard regarding the allegations. Possible sanctions are listed in the procedure.

Complaints

Academic or Instructional Concerns

Students should always bring a concern to the appropriate resource in order for ACC to best assist the student. Students are encouraged to speak directly with the person or office/department where they are concerned, when appropriate and possible. Academic or instructional concerns, such as **grading or course processes**, should be directed initially to the Instructor or Faculty of that course. However, a student could choose to escalate the concern beyond the Instructor or Faculty by contacting the appropriate academic department or Program Chair, Program Director, or Instructional Dean. Please note, Colorado Online teaches online courses available to all Colorado Community College System students. Therefore, the follow-up on academic concerns taught through this entity should be directed to the [online complaint form](#). Have your S# ready to fill out the complaint form.

Civil Rights & Sexual Misconduct Resolution Process

Dean of Students Office, 303.797.5730, acc.dos@arapahoe.edu

When a student believes that a College policy or procedure has been violated, their access to their education has been affected or they have experienced a personal impact due to a violation or inequitable action, they have a right to formally raise their concern. This may be done through the Student Complaint Procedure (SP4-31a). If the concern involves discrimination or harassment based on federal or state civil rights laws or protected class status, the student may file a complaint under the Civil Rights and Sexual Misconduct Resolution Process (SP 19-60).

Drug-Free Schools

Dean of Students Office, 303.797.5730, acc.dos@arapahoe.edu

ACC is a state system community college governed by the State Board for Community Colleges and Occupational Education. Board Policy requires the College to comply with the Drug-Free Schools and Communities Amendments of 1989 (PL 101 226 in Federal law). A copy of the ACC Drug-Free Schools and Communities Biennial Review is available through the President's Office, the Senior Student Affairs Officer, or the Office of Human Resources.

Students should understand that it is a violation of the college's behavior expectations to use, be under the influence of, manufacture, possess, cultivate, distribute, illegally purchase, or sell alcohol, illegal or controlled substance, or alcohol/drug paraphernalia while on college-owned or college-controlled property, or at any function authorized or supervised by the college or in state-owned or leased vehicles. A student who violates these expectations will be subject to college penalties and possible legal sanctions.

Possession and use of marijuana consistent with the requirements of the Colorado Constitution is no longer a crime in the State of Colorado. The possession and use of marijuana remains illegal under Federal law. Consistent with Federal law, including the Controlled Substances Act and the Drug-Free Schools and Communities Act, the use or possession of marijuana continues to be prohibited while a student is on college-owned or college-controlled property or any function authorized or supervised by the college or in state-owned or

leased vehicles. Many health risks are associated with illegal drug and alcohol abuse. The Dean of Students Office provides educational materials, programs, and resource referrals for ACC students.

Extenuating Circumstances Appeals

Dean of Students Office, 303.797.5730, acc.dos@arapahoe.edu

In general, a student may receive a tuition refund only when courses are dropped by the course's drop date (the add/drop deadline/census date). However, in truly severe circumstances, including but not limited to a natural disaster, serious medical condition, or death of a loved one, ACC may consider providing tuition credit back to the student for the impacted semester. Failing to drop by the deadline or not attending class does not release a student from financial responsibility and is not an extenuating circumstance. Contact the Dean of Students Office or fill out the extenuating circumstances form online.

Refer a Concern

Dean of Students Office, 303.797.5730, acc.dos@arapahoe.edu

If an ACC Community member is unsure where to go with a concern or issue, please refer a concern via the ACC website to the ACC Care Team. The Care Team includes professionals from across the College committed to caring, private resources, and providing referrals to services to assist a student, faculty, or staff member. The Team's role is to determine effective ways for addressing concerns and identifying the individuals through ACC that can help. Emergencies should be reported to Campus Police or local law enforcement, 911.

Tobacco and Smoke Free Campus

Smoking, vaping, all uses of tobacco, and the sale of tobacco are prohibited in all buildings and all grounds owned, leased, or controlled by ACC, including but not limited to, green space, courtyards, breezeways, terraces, stairways, and access ramps, outdoor plazas and patios, recreational facilities and fields, roadways, walkways, and pick-up and drop-off points for campus, and public bus transportation. Students who choose to violate these expectations will be referred to the Dean of Students Office. More information can be found in the ACC Tobacco and Smoke Free campus Procedure (AP19-30a).

Dean of Students Office

303.797.5730

Main Building, Littleton Campus, Room M2720, acc.dos@arapahoe.edu

The Dean of Students Office works to create an inclusive and equitable environment to meet the unique needs of each student through supportive and innovative services. This office contributes to student success and overall retention by connecting students to on-campus and off-campus resources such as counseling, essential needs, and housing resources. They enforce behavioral expectations but also assist students by discussing concerns, referring the student to the appropriate resources, and/or advising them on complaint

processes.

Food Pantry and Food Assistance Resources

Dean of Students Office, 303.797.5730, acc.dos@arpahoe.edu

The Student Food Pantry at ACC is an on-campus resource for students in need. Grab-and-go stations are available on shelves around the campus, which includes food and personal hygiene items. Students who are struggling with food insecurity should contact the Dean of Students Office for additional assistance and resources available via Single Stop. Donations are always accepted at the Dean of Students Office. If you are in Colorado and need local resources, please reach out to Mile High United Way 2-1-1 or Food Bank of the Rockies.

Health Insurance Resources

Dean of Students Office, 303.797.5730, acc.dos@arpahoe.edu

ACC does not offer or endorse any specific student health or dental insurance plans. However, brochures relating to health insurance and dental insurance plans, or local community clinics may be available as an informational service through the Dean of Students Office. Information about enrolling in health insurance can also be obtained through the Health Insurance Marketplace.

Housing Resources

Dean of Students Office, 303.797.5730, acc.dos@arpahoe.edu

ACC does not provide student housing, nor do we recommend any apartment complex or roommate/location services. Contact the Dean of Students Office for local housing options and information about online listings. This office also has contact information for transitional or emergency housing.

Parking and Transportation

Campus Police

303.797.5800

Main Building, Littleton Campus, Room M2600, Campus.police@arpahoe.edu

ACC has a Police Department that is headquartered on the Littleton Campus. The Campus Police Department provides services to protect and serve the entire College community. Campus Police officers are fully commissioned Peace Officers certified under Colorado POST with full law enforcement powers, including arrest powers, provided to them by Colorado Revised Statute, Title 24, Article 7.5, Part 1. Campus Police officers have the same enforcement powers as any city or state police officer and have jurisdiction in the buildings and on the property owned and leased or otherwise controlled by the College. This includes several city streets that run through and are adjacent to the campus properties.

Officers are available during hours when campuses are open to the public. Immediately report any crime, medical problem, accident, suspicious person(s),

or activity to the Campus Police. If there is no immediate response, call 911. Visit the Campus Safety page for complete information about the Campus Police Department, parking requirements, campus crime statistics under the Clery Act, emergency reporting, and other important information.

The ACC Campus Police are concerned with the perception of how they perform their job. Questions, comments, and concerns may be left at 303.797.5801.

Daily Crime Log

Campus Police, Police Records Custodian, police.records@arapahoe.edu

Under federal law, ACC Campus Police maintain a daily crime log or police blotter. This log is available at the ACC Police Department located at the Littleton Campus, which is normally updated each business day and contains all crimes reported to the ACC Campus Police. The daily crime log is a secondary means of distributing information about crimes and crime trends on campus to the ACC community. The Crime Log entries include all crimes reported to the Arapahoe Community College Police within the Arapahoe Community College jurisdiction. In addition, the log records the nature, date and time reported, date and time occurred, general location, and disposition of each offense. The crime log can be requested at any ACC Campus by visiting with Campus Police or by emailing the Records Custodian, police.records@arapahoe.edu.

Emergency Phones

Campus Police, 303.797.5800, 5911. Campus.police@arapahoe.edu

Code Blue Emergency Phones are in place at all campuses. During business hours, these phones ring to the ACC Campus Police. After business hours, the emergency phones transfer to the Littleton Police and Castle Rock Police Departments. Use these phones to report a crime, suspicious activity, or person(s), a vehicle problem, or to request an escort. Look for the blue light in the parking lot, proceed to the phone and push the red button on the faceplate. An emergency services person will answer. The Littleton campus is equipped with phones in the classrooms and conference rooms. If there is no immediate answer when calling Campus Police, hang up and press 911.

Motorist Assistance

Campus Police, 303.797.5800, Campus.police@arapahoe.edu

Campus Police Officers will assist with vehicle jumpstarts and unlocks. Services can be accessed by coming directly to the Campus Police Department, Room M2600 on the Littleton Campus, or dialing 303.797.5800. At the Sturm Campus, ask for assistance at the front desk.

Parking

Campus Police, 303.797.5800

Main Building, Littleton Campus Room M2600, Campus.police@arapahoe.edu

Parking lots require an ACC parking permit. Permits allow parking in the College

parking lots but do not guarantee a parking space. Parking Permits may be purchased at the Littleton Campus Cashier's Office, and at Sturm campus front desk, or Online via the *myACC* portal. Fees are subject to change without notice.

After paying for the permit at the Littleton campus, parking permit hang tags are issued at the Campus Police Department. At the Sturm campus, hangtags will be distributed by the front desk at the time of purchase. All parking permits issued are hangtags and must be displayed from the rearview mirror.

Guest and Short-Term Parking: Guest and visitor parking spaces are designated and are available for prospective students. Temporary day passes for parking lots are available from Campus Police. In addition, guests to the Art and Design Center on the Littleton campus can obtain a temporary parking permit from the Art and Design Welcome Center.

Time-controlled, free parking is available on the streets surrounding the Littleton Campus. All street parking at the Littleton Campus, including College Drive, Nevada St., and Sumner St., are enforced by the City of Littleton. Please pay attention to signage and time limits. Similarly, street parking near the Sturm campuses is not controlled by ACC or Campus Police.

Parking Violations within the ACC Parking Lots: Parking citations will be issued to vehicles not displaying a valid parking permit or a temporary day pass. Parking violation fines range from \$15.00 to \$50.00 but may be appealed within 30 days. Also:

RTD Passes

On the Littleton Campus, regularly priced monthly passes are available for purchase at the Cashiers Office, Room M2300, Main Building. Contact the Cashier's Office for availability. ACC does not provide RTD passes as part of student fees.

Safety Escort Services

Campus Police, 303.797.5800, Campus.police@arapahoe.edu

Campus Police Officers will assist ACC community members with safety escorts to a car or from one building to another. Everyone is encouraged to ask for help or a safety escort if a situation makes them feel afraid or threatened. Anything that creates fear is a legitimate reason for contacting the Campus Police Department. Service can be accessed by coming directly to the Police Department, Room M2600 on the Littleton Campus, or dial 5800 from any campus phone, or 303.797.5800 from a cell phone. At the Sturm Campus, ask for an escort at the front desk.

School Closures

303.797.4222

If an emergency at ACC occurs or there is significant weather, decisions about closing the campus will be made by ACC Leadership. Campus closure will be announced, when possible, by 5:30 a.m. for morning classes, noon for classes that start between 1:00 pm and 5:00 p.m., and no later than 4:00 p.m. for classes

that start at 5:30 p.m. and later. In the event of a campus closure, students will be instructed to login to their D2L course portal for information on the delivery of their class for the day (canceled or held virtually) and class assignments. Students, Faculty, and Staff will be alerted of closures by phone, text message, and email. In addition, alerts will be posted on the ACC website, ACC Social Media platforms, on the ACC Alert App, and radio and television stations will be notified. All students are automatically enrolled to receive alert messages based on the personal contact information provided at enrollment. To update personal contact information, log in to *myACC* and provide details in the Personal Information section of the Student tab.

Communication and Technology

MyCourses (D2L) 303.797.5900

MyCourses (D2L) is the central learning management system for all courses at ACC, whether you're learning in person or online. It's your go-to spot for course materials like syllabi and handouts, important announcements, and up-to-date grades. You can also submit assignments, take quizzes, and participate in class discussions. Download the D2L Brightspace Pulse App to stay connected to your courses while on the road. Learn more about MyCourses (D2L) with these resources 1. [D2L Student Orientation](#) (21-minute video overview) 2. [D2L Quick Tips for Students](#) (Interactive book with quick videos on D2L topics) 3. D2L Self-Paced Orientation (On the D2L Homepage in the Self-registration Courses widget. Scroll below your Course Dashboard to find and register by selecting the Discovery Tool – Register link). Still have questions? Electronic Communication

All Students must have access to a computer with an internet connection to fulfill course requirements, conduct research, review college-issued email, and perform other activities associated with being a college student. Each ACC campus provides computers and internet access for student use during posted hours.

The Computer Use and Electronic Community Policy ([BP3-125](#)) contains the governing philosophy for regulating faculty, students, and staff use of the System's computing resources. It spells out the general principles regarding the appropriate use of equipment, software, networks, and data. In addition to this policy, all members of the CCCS community are also bound by local, state, and federal laws relating to copyrights, security, and other statutes regarding electronic media. The CCCS has the right to monitor all aspects of its computer and telecommunications systems, including employee email, voicemail, and file structures on any CCCS system. CCCS' right to monitor its computer system and telecommunications equipment includes, but is not limited to, monitoring sites users visit on the internet, monitoring chat groups and newsgroups, reviewing material downloaded or uploaded by users, and reviewing emails sent and received by users.

ACC is committed to reducing the virus threat to computers in its purview, including providing virus-checking software in the labs, continuous upgrades to this software, and procedures for Students on its use. However, ACC cannot be held liable for any loss that may be caused due to a computer virus.

myACC portal

myACC is a web-based service that provides centralized access to student account information, *Navigate* (academic course planning and course registration, appointment central for various departments), student email, online courses, announcements, deadline notifications, and many other resources. Log on to the *myACC* portal from the ACC website.

Computer Labs

ACC has computer labs or check-out computers available at all campuses. The Library & Learning Commons at the Littleton Campus has a variety of open access devices, including both Windows and Mac computers, with the latest software, including Windows 11, macOS, Microsoft Office solutions, Adobe Creative Cloud, and other software. Computer labs are also available at the Art & Design Center. A variety of platforms and software packages are available at these locations.

Computer usage at the Sturm Collaboration Campus - Castle Rock:

Students who are registered for classes at the Sturm Collaboration Campus may check out a device from a tech locker on either the first or second floor. Check-out is limited to 4 hours.

- System will login with their S# and password.
- Once the system is turned off or restarted, it reverts to the current "frozen" state. This means all data on the laptop will be wiped.
- Nothing is saved on this system.

Postings and Bulletin Boards

Bulletin boards are located throughout the Littleton Campus. Boards labeled "Student Life Board" are designated for posting by ACC to promote on-campus resources, events and activities, and involvement opportunities. Boards labeled "Community Board" are available to the general public for posting items such as community events, roommate/rental postings, job positing, tutoring services, and textbook sales. Various boards are designated for and maintained by individual departments within ACC.

Additional methods for postings on non-bulletin board areas may be approved upon consultation with the Student Life Office and the Marketing Department. Materials to be posted must be attached in such a manner as not to damage or deface College property. Persons or groups who post materials that damage or deface College property shall be responsible for damages. Contact [Student Life](#) for more information on the [Protocol for Posting and Bulletin Boards](#).

Student Email

Students are assigned a college email address upon enrollment in classes at ACC and will be notified of their student email address in their acceptance letter. ACC student email will be the only email address ACC use to communicate once you register for classes. Since the Colorado Community College System (CCCS) owns our email addresses, you cannot unsubscribe from college communication.

Students can access their email by logging in to the myACC portal, provided through Microsoft Outlook. In addition, students can download the Outlook app to access their student email through a mobile device. Students may also forward their student email to a personal email address of their choice. This is available under settings in Microsoft Outlook.

For assistance with a Student email account, contact the 24/7 Help Desk at 1.888.800.9198. Note: The ACC Student email and D2L email/messaging are not the same; see D2L heading above in this section.

Wireless Internet

All ACC campus locations have wireless internet available for students and guests.

Student Resources

Academic Accommodations

Disability Access Services, 303.797.5860 (voice/TTY)
Littleton Campus, Main Building, Room M2710, disability.access@arapahoe.edu

Disability Access Services celebrates and encourages accessibility, accountability, and self-advocacy. Disability Access Services provides academic accommodations to qualified students. To request accommodations, please contact Disability Access Services to set up an intake appointment. Accommodations are decided on a case-by-case basis, and the time needed to implement services can vary. Accommodations for campus events should be requested through the sponsoring department or office. [Victoria will insert verbiage]

Bookstore

303.797.5676. accbookstore@arapahoe.edu
Littleton Campus, Main Building, Room M1200 and M1350

The ACC Bookstore is your on-campus source for textbooks, course supplies, apparel, gifts, and technology. The bookstore team operates two locations on campus: The *ACC Bookstore* and the *Espresso Yourself Café & Bookstore*. Textbooks are available at both locations. The current hours of operation can be found on the bookstore website, **ArapahoeShop.com**

Purchasing or renting textbooks:

The Bookstore works directly with faculty to ensure the correct materials courses each semester. Books are available in new, used, rental, and digital formats. Renting your books is a great cost-saving choice if you will only need it for one

semester. Go to: **ArapahoeShop.com**. Orders placed online can be shipped to your home or held for on-campus pickup at the Littleton Campus or Sturm Collaboration Campus.

To view your course-specific list of required materials, format options, and pricing, visit the bookstore's website and enter your Student ID number under "Get Your Textbooks."

Financial Aid is available in-store and online during the charging period set by the Financial Aid Office each semester. Please check the Academic Calendar for specific dates.

Inclusive Access digital materials:

Many courses now provide an eBook or online learning platform at a reduced rate as a course charge on your student account. These courses will be notated as Inclusive ACCESS course on the bookstore's website. Inclusive access materials will be available at the start of the course and do not require you to place an order or make a purchase at the bookstore. Printed copies of these materials are normally available and can be requested at the Bookstore or Disability Access Services.

Return Policy:

A receipt or packing list is required for all returns. Items must be in the same condition as the time of sale and textbooks must contain all original supplements or access codes. Textbooks are eligible for return through the first course census date, and if purchased after the census date, must be returned within 2 business days. Books purchased during the last week of the course or final exams are not eligible for return. All non-textbook returns are accepted within 30 days of purchase with receipt.

Textbook buyback:

The bookstore offers a book buyback program to all students. The best time to sell textbooks back to the ACC Bookstore is at the end of the semester, immediately before or during finals. Specific book eligibility is based on the needs of the bookstore and national markets. Buyback amounts and eligibility are subject to change.

Food Options

The Espresso Yourself Café is located on the first floor of the Main building on the Littleton Campus. The café services freshly brewed Caribou Coffee beverages, snacks, candy, bottled beverages, grab-and-go food choices for both breakfast and lunch, including options prepared by local vendors.
