Due to IPEDS' re-categorization of ACC as a 4-year institution (previously a 2-year institution) in FY 2017-18, cohort tracking has moved from a 3-year window to 6-year window and the previous Retention metric is no longer reported in the same way. Reporting for 'Award and Enrollment Rates' metrics will begin in FY 2017-18 with students who entered ACC during the 2010-11 Academic Year (AY).

*Full year cohort includes all students who were new to ACC (New First Time or Transfer-In Students), regardless of time status or entering term, during the stated Academic Year.
