HyFlex: A highly flexible experience where students have the option of attending scheduled classes in the classroom, parti

Virtual Real Time: All of the class content is delivered online in real time via video conferencing tools such as WebEx, Zoom, etc. Specific meeting times will align with the course schedule. The instructor sets the pace of the course via deadlines for discussions, assignments, quizzes, etc.

Remote Any Time: All of the class content is delivered online, not in real time. Online content can be completed at any time within the deadlines set by the instructor. Optional real time video conferencing sessions may be available at a variety of times. The instructor sets the pace of the course via deadlines for discussions, assignments, quizzes, etc.
