

The Criminal Justice A.A.S. Degree is designed for students seeking a career in Criminal Justice. Whether you want to become an emergency dispatcher, a victim/witness assistant, lawyer, probation/parole officer or a law enforcement officer, this program is a great place to start. The curriculum is strong, diverse and provides an excellent opportunity to see the criminal justice system as it actually functions, not how televisions portrays it.

Students transferring to a four-year College or university should select their elective courses only after consulting with the program Advisor to facilitate the transferability of coursework. For more information, please contact the Criminal Justice Department at 303.797.5980.
