

## Content

The **Content** page gives you access to the course materials that your instructor has designed and placed into the course. You can get to the Content page by selecting the **Content** link from the navigation bar on the **Course Home** page. The Content page will open and display **Course Overview**, the first of the four sections that comprise **Content**.

The screenshot shows the top navigation bar of the ACC eLearning Course 2 interface. The 'Content' link is highlighted with a red box. The navigation bar includes links for Course Home, Content, Assignments, Discussions, Quizzes, Grades, Classlist, Attendance, Calendar, Checklist, Groups, Links, and More. Below the navigation bar is a banner image of the ACC building at night with the text 'eLearning Course 2' and the ACC logo. At the bottom of the banner area are 'Announcements' and 'Welcome' dropdown menus.

## Course Overview

The Course Overview may contain information that your instructor expects you to read prior to starting the course.

## Bookmarks

**Bookmarks** permit you to create links to any favorite or often used module or activity in the course. These links permit you to access modules or activities quickly, without having to locate them in the Table of Contents. See the section **Creating Bookmarks** later on in this document

The screenshot shows the 'Bookmarks' section of a course interface. On the left is a navigation sidebar with a search bar and menu items: Overview, Bookmarks (highlighted with a red box and a '1' badge), Upcoming Events (with a '1' badge), and Table of Contents (with a '49' badge). The main content area is titled 'Bookmarks' and includes a 'Print' button. The screenshot shows the 'Upcoming Events' section of a course interface. The left sidebar is identical to the previous screenshot, but the 'Upcoming Events' menu item is highlighted with a red box and has a '1' badge. The main content area has a 'Print' button and two tabs: 'Upcoming' (selected) and 'Full Schedule'. The content is organized by date: 'Today' (No events scheduled), 'Tomorrow' (No events scheduled), and 'Next 7 days'. Under 'Next 7 days', the date 'Monday, July 1, 2019' is shown with a dropdown arrow. Below this, an event is listed: 'One Page Argument - Due' at '5:26 PM'. The event title is 'ONE PAGE ARGUMENT' in blue. The description reads: 'Think about an opinion you have that you would like to defend in an argument. For example, social media is making it difficult to talk with someone face-to-face or everyone has a right to bear arms or texting while driving should be illegal.'

## Table of Contents

The **Table of Contents** contains all the activities, assignments, and other resources you will need to succeed in the course. The Table of Contents is comprised of modules, and each module contains a number of activities.

This screenshot is identical to the one above, but with a red box highlighting the checkmark next to the 'Schedule' activity in the main content area, indicating it has been accessed.
