

The ACC Mortuary Science AAS degree is accredited by the American Board of Funeral Service Education (ABFSE), meeting the graduate requirements for state licensure in many states. Some states mandate additional education beyond an ABFSE-accredited degree. Please review the table and link below for licensure requirements across various states. Contact your state board or appropriate regulatory agency with questions regarding your specific state's requirements.

[Regulations in Licensing](#)

***Asterisk** denotes states which may have additional education requirements beyond an ABFSE accredited associate degree.

State	Arapahoe degree Meets or Exceeds Education Requirements	Additional Education may be required by State for Licensure in addition to Arapahoe program
