**Arapahoe Community College**
**Physical Therapist Assistant Program**
**Physical Therapy Setting Visitation Report**

**Note to the clinician**: As part of the admission process for the Physical Therapist Assistant program at Arapahoe Community College, each prospective student is to spend time observing, volunteering, or working in a physical therapy setting. During this time, the student is to interact with a Physical Therapist or Physical Therapist Assistant and gain a better understanding of the Physical Therapy profession and the roles and responsibilities of PTs and PTAs. Knowing your schedule is busy, your help is greatly appreciated. When the individual has completed his/her visitation, please complete this form and return it to the student.

If you have any questions regarding the PTA program or any aspect of our admission procedures, please contact: Alexis Gaines, PT, DPT at alexis.gaines@arapahoe.edu
