Transfer Students – The amount of loans received at a previous institution may affect your eligibility to receive loans at ACC. If you received Federal Direct Stafford loans during the current academic year at another institution, ensure all pending loan disbursements are canceled at your previous institution before applying for financial aid at ACC.

Please note: The deadline for submitting this form for each semester is the last day of classes for each semester as stated in ACC’s academic schedule.

Borrow responsibly. Remember that this is a loan and the funds must be repaid.

- Students must have an enrollment of at least 6 credits (1/2 time status) per semester to be eligible for their loan to be certified and disbursed.
- Students must maintain Satisfactory Academic Progress (SAP). Find out more by looking at the Sap policy at <https://www.arapahoe.edu/paying-college/financial-aid/how-financial-aid-works/satisfactory-academic-progress>.
- Students will not receive any funding that exceeds their Cost of Attendance at ACC. Loans may be reduced at any time by the Office of Financial Aid based on the student’s eligibility and other types of Financial Aid or resources that the student may become eligible for.
- **Do not assume that your loans or grants will cover the total amount of your tuition and related fees.** Students are responsible for all registration related charges that have accrued on their account. Students may need to find other alternatives to pay for balances that exceed their loan and/or grant award amounts.
- Students must have a completed MPN and Entrance Counseling on file at the ACC Office of Financial Aid.
- Submission of this form does not guarantee origination or disbursement of a Direct Loan and a student may be responsible for submitting additional documentation to determine their eligibility for a Direct Loan.
- Students that are first-time borrowers have a 30-day delay of disbursement from the first day of the term.
- Students assume the risk of taking a student loan and acknowledge their rights and responsibilities as a borrower and understand that they must repay these funds.
