

## *Legacy Society*

Arapahoe Community College Foundation Legacy Society consists of a unique group of philanthropists who will leave an enduring legacy by acting not for today, but tomorrow. They are individuals who include a gift for the Arapahoe Community College Foundation (ACCF) for the benefit of Arapahoe Community College (ACC) in their estate plans. Anyone who submits documentation of his/her estate gift qualifies for membership, no matter what size the gift.

### **Steps to Membership:**

Once you decide to make an estate gift to the Arapahoe Community College Foundation, inclusion as a Legacy Society member takes just three simple steps:

**Document Your Gift.** With the help of your professional advisors, include a gift to the Arapahoe Community College Foundation – through a bequest, life insurance, individual retirement account (IRA) or other retirement plan, or living trust – in your estate plan. A gift of any size qualifies you for membership. Arapahoe Community College Foundation 5900 S Santa Fe Drive, Campus Box 43, Littleton CO 80160.

**Submit your Gift Plan Information Form.** Complete the ACCF Legacy Society Membership Form and return it to the Foundation office. We will keep the details of your gift confidential, and you are welcome to decline public recognition.

**Copy the Foundation.** Send the Foundation's Executive Director a copy of your will, trust agreement or insurance policy. If you prefer, you may copy just the relevant part of your will or trust agreement or the cover and beneficiary pages of your insurance policy. If you and your spouse both seek membership and have separate wills, please submit copies of both documents. This applies also to trust agreements and insurance policies. If you have any questions about what may be required, please do not hesitate to contact the Foundation, or have your advisor contact the Foundation.

*Neither ACC nor ACCF make any representations that any such gift shall constitute a charitable contribution for the purposes of any deduction under the federal estate, gift, or income tax laws, nor the laws of any state. However, ACCF currently is a qualified charitable institution and has no reason to believe that such contribution would not qualify for any lawful deduction.*
