Kids Love Summer Youth College! • 2017

JUMP into something NEW this summer

During the summer semester we offer a wide variety of classes for elementary, middle and high school students. Classes are organized into three academies: Gear-Up for School Success, S.T.E.M., and Cultural and Creative Arts.

Classes fill up fast. Register early!
MARKETING

Content Marketing to Drive Search Engine Optimization
David Lavery
The search engine world has changed. Gone are the days of tricks and gimmicks to move up the search engine rankings. As Google leads the battle to reward valued content, you can learn ways to make your website more visible. By consistently developing marketing and business-focused content, you can optimize your site with a commitment of time instead of money.

Wed, June 28, 6:30-9:30 p.m.  Littleton Campus
BUSI 2028M01-59733  $59, $5 material fee to instructor

BUSINESS START-UP

Entrepreneurs in Colorado! How to Get Started
David Lavery
Are you an entrepreneur? Explore the pre-startup and startup steps to build your business on a firm foundation. Avoid the pitfalls that cause so many businesses to fail and protect your personal assets. Receive a Colorado Business Resource Guide and discover where to find reliable business information.

ONLINE MICROSOFT OFFICE APPLICATIONS

These are 6-week online classes which begin the 2nd Wednesday of every month. For more information, and to register and pay, go to arapahoe.edu/communityed and follow the online links. These classes are $129 for 24 hours of instruction.

WORD

Introduction to Microsoft Word

Master the basics of the word processor PC Magazine ranked as one of the “strongest and most intelligent programs ever written.” By the time you’re done with the step-by-step lessons and hands-on activities in this course, you’ll be able to use Word confidently at home or on the job. Create, edit and save documents; explore cut, copy, paste and delete text word commands. Practice formatting and paragraph features, bullets and numbered lists; check grammar and spelling; and use the thesaurus.

Intermediate Microsoft Word

Explore styles, section breaks, and columns and how to format tables. Use graphics, draw and edit shapes, and create text boxes. Learn how to print out labels, form letters, creating indexes, and envelopes. Learn to insert different types of graphics in a document including digital photographs from your own camera, clip art images provided by Microsoft, and different types of charts such as bar, line, or pie charts. Prerequisite: Introduction to Word or equivalent knowledge.

ACCESS

Introduction to Microsoft Access

Take control of your data! In this course, you’ll learn how to harness the power of Microsoft Access to organize, store, edit, manage, and report on hundreds of thousands of records. Start with the basics of database concepts and structure. Build and customize tables to store data. Learn about relational databases, and see how you can use them to build forms, generate reports, and search for data with queries across thousands of records in hundreds of tables—often with just a few clicks of your mouse! Discover how to use macros to automate repetitive tasks and increase your efficiency.

Intermediate Microsoft Access

Take your skills to the next level. Build an entire database project from scratch. Track customer and order information. Using action queries, add and update key fields that allow you to build relationships among the tables. Master the steps for building complex yet easy-to-use forms to manage table data. Build cross-tab and summary queries so you can access information quickly and easily. Examine how to build reports using conditional formatting to highlight key data points, and explore Visual Basic, a powerful programming language that allows you to automate simple and complex tasks. Build a navigation form to make it easy for your users to find what they need.
CARERE FOCS

JOB SEARCH AND CAREER EXPLORATION

Your First Step to a New Career

Lynette Reiling

“Career Transitions have two essential parts. The first part is internal where you reflect and do self-assessment. The second part is where you test things out in the real world.” Marci Alboher, Encore Career Author

Whether you are considering a transition to a new career or position, opening a business, or thinking about what might be next for you in retirement this class is for you. In this active and engaging class you will complete and discuss self-assessment exercises and learn about the transition process so you can navigate it consciously. This class is a perfect precursor and complement to the classes Purpose, Passion and a Paycheck, Break the Employment Barrier, Make a Difference as a Social Entrepreneur, and Entrepreneurs in Colorado.

Wed, June 14, 6-9 p.m. Littleton Campus
BUSI 1056M01-59782 $59, $5 material fee to instructor

Purpose, Passion and a Paycheck: What is your Encore Career?

Lynette Reiling

The “encore” years are those between midlife and what we used to call old fashioned retirement. Individuals can start planning Encore Careers in their 40’s to their 60’s or later. They are driven by a desire to make a living while making a difference and are often initiated by a set of challenges, obstacles or realizations signaling it is time for a change! Explore this animal called Encore Career. What is it? How does the concept of second adulthood fit in? Where do I start? What might you want to include in your encore career? How do you begin the pathway to your encore transition? This is an introductory class and is for you if you are at or approaching midlife and would like to explore ways of work that combines personal meaning and social purpose.

Mon, June 26, 6-9 p.m. Littleton Campus
BUSI 1058M01-59499 $59, $5 material fee to instructor

See our Make a Difference as a Social Entrepreneur class on page 2.

Break the Employment Barrier: Job Search After Age 50

Lynette Reiling

If you have been laid off, or are seeking a career change later in life, you are presented with some unique challenges in your job search process. Get some practical tips and techniques to help you sell yourself to prospective employers and highlight your strengths as an experienced worker. Cover the tools needed for the job search process such as resume writing, cover letter creation, interviewing skills and where to begin your job search.

Wed, July 12, 6-9 p.m. Littleton Campus
BUSI 1061M01-59500 $59, $5 material fee to instructor

Resume Writing Workshop

Stephanie Donaldson

Create an effective resume or improve the one you already have. Transform your resume into a powerful tool that will get you interviews. This workshop will lead you through a self-assessment series so you will have extensive knowledge about the product you are marketing. YOU! Learn different resume formats and the advantages and disadvantages of each. Write an employment objective that shows potential employers that you have direction. Make the most of your work experience. Know what to reveal in a resume, and what to keep to yourself. Learn to overcome gaps in work history and age discrimination. Discover how to use references to your advantage. This course includes the use of online resumes and Internet Resume Secrets. This course is invaluable for anyone who wants to create their own resume, or learn how to write resumes and cover letters for profit.

Twelve Steps to a Successful Job Search

Todd Bermont

Get the job you want quickly and easily and in any economy. In this course, a world-renowned author and career advisor will help you identify the job that is best for your needs. You’ll then be given complete step-by-step instructions on how to get that job, regardless of your level of expertise or state of the economy. You will learn how to build rapport with any interviewer, both verbally and non-verbally, while mastering the six phases of a successful job interview. This motivational course will increase your confidence, help you feel great about yourself, and provide you with the foundation you need to get the job you want.

These classes are 6-week online classes which begin the 2nd Wednesday of every month. For more information, to register and pay, go to arapahoe.edu/communityed and follow the online links. Cost is $119 for 24 hours of instruction.

Basic Mediation Certificate

Trish Elledge

Join the burgeoning field of professional mediation. With more courts ordering litigants to mediation, corporations implementing internal dispute resolution programs, and neighborhood associations realizing the long-term benefits of amicably resolved disputes between neighbors, is it any wonder that mediation is one of the fastest-growing professions across the country? Get the fundamental concepts, skills, and practice essential skills to add professional mediation to your skill set. It meets the voluntary training guideline set forth by the Colorado Council of Mediators and Mediation Organizations (CCM). Certificate of completion awarded upon successful completion of course.

Fri and Sat, June 2-3 and June 9-10, 9 a.m.-5 p.m. and Sun, June 4 and 11, 10 a.m.-3 p.m., 2 wks Littleton Campus BUSI 1001S01-81493 $599, $25 material fee to instructor

VOICE OVER

Voice-Overs: NOW is YOUR Time!

You’ve heard Wendy Shapero on TV! Now hear Wendy live as she illustrates how YOU could actually begin using your speaking voice for commercials, films and videos! Most people go about it the wrong way. Wendy will show you a unique, outside of the box way to cash in on one of the most lucrative full or part-time careers out there! This is a business that you can handle on your own terms, on your own turf, in your own time, and with practically no overhead! And NOW is the best time to make this happen as new companies are looking for new voices like never before. This exciting and fun class could be the game changer you’ve been looking for!

Focus on infant, child, and adult CPR, rescue breathing and choking. Develop basic first aid knowledge, skills, and confidence. Includes digital manual and a two year certification upon successful completion for both portions through the American Safety and Health Institute, nationally recognized organization following all American Heart Association guidelines. This is a non-health care provider class. Lunch break not included.

Sat, July 22, 8:30 a.m.-2:30 p.m.  Littleton Campus
WLNS 1055M01-59822  $89

WRITING AND GRAMMAR

CREATIVE WRITING
Chapter One: The Beginning of the Journey
J. L. Abramo
The importance of the first chapter for the writer and the reader cannot be overemphasized. If you are considering writing a work of fiction, or non-fiction, and have had trouble getting it going—we will look at ways to help kick-start the process. If you have started on a book, we will examine how your first chapter serves to move you forward—and look at how well chapter one succeeds in persuading readers to keep turning pages. Creativity is a journey of exploration and discovery. An urge, a drive, a need to express ourselves in a manner which can be experienced by the senses—seen, heard, touched. As with all journeys, there must be a starting point—the first dance step, the first musical note, the first brush stroke, the first chapter. To learn more about the instructor go to www.jlabramo.com

Thu, June 22-July 27, 3-5 p.m., 6 wks  Littleton Campus
WLNS 2019M01-59734  $189

Thu, June 22-July 27, 6:30-8:30 p.m., 6 wks  Littleton Campus
WLNS 2019M02-59735  $189

PRONUNCIATION AND READING
Summer Reading Workshop: Partner with Your Child in Reading
Lori Dubetz
Do you have a child (8 years or older) who struggles to sound out words in English and is reading below his or her grade level? This reading workshop gives parents the opportunity to partner with their children to learn reading strategies for use at home. Together you will learn the most common English vowel sounds, how to break words apart, and the six syllable structures. We will also strengthen reading comprehension skills. As you learn key reading concepts with your child, you will become a stronger reader and speller yourself! Please bring a shoebox and a package of 3 x 5 inch notecards to class. Together with your child, you will fill a shoebox full of key words to take home.

Thu, July 6-Aug 3, 9-11:30 a.m., 5 wks  Littleton Campus
WLNS 2020M01-59737  $129

Thu, July 6-Aug 3, 6-8:30 p.m., 5 wks  Littleton Campus
WLNS 2020M02-59739  $129

GRAMMAR
Writing Skills and Grammar Refresher
Karyl Chalfin
Are you in need of a refresher for college or to write that report or business letter? Whatever your goals, a grasp of effective writing skills and English grammar is important for writing or speaking. Gain confidence to produce clean, grammatically correct work and to speak correctly whether with an individual or for a group. Discuss and practice English grammar basics such as sentence structure and punctuation. Write for clarity and for your audience. Practice what you learn through online, at home, and in-class exercises.

Wed, July 12-Aug 2, 6-8:30 p.m., 4 wks  Littleton Campus

LANGUAGE AND CULTURE

Our global economy can require skills such as learning a new language. The job tracking firm Burning Glass Technologies states the three best languages to learn are Portuguese, German, and Mandarin. Additionally, other languages in the top 7 are those we offer. Take an on campus or online class and boost your chances for a higher paying job or preparation for your next trip to a foreign country.

FRENCH

Continuing with French

Fawzia Ahmad

Do you want a refresher French course or to build on the French Conversation course from last semester? This class will help you to expand your communication in French. We will have fun with more everyday situations in which you would need French to communicate such as: sending a text message, speaking on the phone, what to say to a bank teller, how to ask your museum guide the correct question (and understand his/her answer), communicating with a French family that your child is staying with and/or communicating with a French family whose child you are hosting, etc. Join us for this content rich and fun course!

Sat, June 3-July 29, 12-2:15 p.m., 9 wks Littleton Campus LANG 1018M01-59873 $199, $14 material fee to instructor

French Special Topics: French Movies

Fawzia Ahmad

Go further with your understanding and use of the French language by watching French movies and discussing them afterward. This is an intermediate French conversation course that will also review and reinforce your previous French grammar, communication and syntax. If you have had one of more years of French speaking experience, this is an ideal setting for you to refresh your communicative skills.

Thu, June 8-Aug 3, 6:30-8:45p.m., 9 wks Littleton Campus LANG 1016M01-59784 $199, $14 material fee to instructor

GERMAN

Beginning Conversational German

Birgid Howell

Immerse yourself in conversational German which emphasizes spoken language, simple vocabulary and phrases. Enjoy a strong emphasis on travel, history and culture. Begin with the basics of the language and advance quickly to help you converse comfortably. *(No class on Tuesday, July 4.)

Tue, June 13-Aug 8*, 7-9 p.m., 8 wks Littleton Campus LANG 1010M01-59345 $199, plus book

Intermediate German

Birgid Howell

Students should be currently easily speaking in the present tense. *(No class on Monday, July 3.)

Tue, June 13-Aug 8*, 7-9 p.m., 8 wks Littleton Campus LANG 1011M01-59346 $199, plus book

ENGLISH AS A SECOND LANGUAGE

Beginning English as a Second Language

Victoria Martysh

For beginners who speak little English. Learn to speak, read and begin to write in the English language. Discover fun facts about Colorado while you learn. *(No class on Tuesday, July 4.)

Tue, June 13-Aug 8*, 6:30-9 p.m., 8 wks Littleton Campus LANG 1004M01-59818 $179, plus book

Intermediate English as a Second Language

Victoria Bailey

If you have completed Beginning English as a Second Language or if you can speak and read English at the 4th grade level, this is the appropriate class for you. *(No class on Monday, July 3.)

Mon, June 12-Aug 7*, 6-8:30 p.m., 8 wks Littleton Campus LANG 1005M01-59102 $179, plus book

Advanced English as a Second Language

Bobbi Shape

Get more confident in your reading, writing, and conversational skills. This is a continuation of Intermediate English as a Second Language or you may obtain permission from the instructor.

Thu, June 15-Aug 3, 6-8:30 p.m., 8 wks Littleton Campus LANG 1006M01-59765 $179, plus book

SPANISH

Beginning Spanish

Enrique Rosado / Maria Carrasco-Stone

Discover basic Spanish including common phrases and vocabulary that will enable you to communicate simply and clearly. *(No class on Tuesday, July 4.)

Tue, June 20-Aug 22*, 6-7:30 p.m., 9 wks Littleton Campus (Rosado) LANG 1020M01-58807 $199, $30 material fee to instructor

Tue, June 13-Aug 8*, 5-6:30 p.m., 9 wks Castle Rock Campus (Carrasco-Stone) LANG 1020MC1-59767 $199, $35 material fee to instructor

Intermediate Spanish

Enrique Rosado

Improve your skills learned in Beginning Spanish (a prerequisite for this class), or you may obtain permission from the instructor before enrolling. *(No class on Tuesday, July 4.)

Tue, June 20-Aug 22*, 7:30-9 p.m., 9 wks Littleton Campus (Rosado) LANG 1021M01-59830 $199, $30 material fee to instructor

Spanish Out Loud

Maria Carrasco-Stone

This class is a perfect follow up after taking Beginning or Intermediate Courses at ACC. It is an interactive class designed to reinforce what you have learned in previous Spanish courses at ACC. Read and discuss a series of fun, current events, newspaper articles, short stories and more. Engage in spontaneous conversation topics, cultural discussions, role-playing short dialogues, while learning new vocabulary, strengthening your conversational skills and practicing the use of the Spanish Language. If you don’t use it you lose it! Students should be currently easily speaking in the present tense. *(No class on Tuesday, July 4.)

Tue, June 13-Aug 8*, 6:30-8 p.m., 9 wks Castle Rock Campus LANG 1026MC1-59760 $199, $15 material fee to instructor

BASIC DIGITAL PHOTOGRAPHY

Beginning Digital Photography
Bob Montgomery
Focus on aperture, shutter speed, depth of field, ISO and exposure. Discover composition principles to create better photographs. Bring camera and owner’s manual. Designed for 35MM and digital camera users new to photography. Camera must have an adjustable aperture and shutter speed.

Mon, June 5-19, 6-8:45 p.m., 3 wks Littleton Campus ARCR 1132M01-59832 $99, $3 material fee to instructor

Mon, July 17-31, 6-8:45 p.m., 3 wks Parker Campus ARCR 1132MP1-59833 $99, $3 material fee to instructor

Digital Photography: Beyond the Basics
Bert Paredes
You’ll learn to take control of your camera by understanding the three elements that enable you to take better photos: focus, exposure, and composition. Discuss how just a few camera settings can make all the difference in the quality of your photos. After each session, you will be given feedback on your photo assignment and how to improve results even more. Students are encouraged to bring their cameras (and the camera manual) to the class.

Wed, July 12-26, 6:30-9 p.m., 3 wks Littleton Campus ARCR 1134M01-59819 $89

GED PREPARATION

EARN YOUR GED!

If you are 17 years of age or older, register for these preparation classes which are designed to help you improve skills to complete the online GED exam. Take a free pre-GED test online. Your scores will indicate whether you are ready to take the official test or if you should take a preparation class. You may re-register and pay for these courses each term until you are ready to take the official GED test. The class tuition does not include the official GED Test fee. More information about taking the test is available through the ACC Testing Center or by calling 303.797.5993.

*Books/Materials – Go to arapahoe.edu/communityed and follow the Supplies, Books, and Materials link to get the required book and supply information. It is highly recommended that students purchase the TI-30XS calculator that is permitted for use during the official GED test.

Limited GED Course Scholarships are available based on financial need and offered on a first-come first-serve basis. Pick up the application form in A1215. Deadline for applying is June 2, 2017.

Computers and Technology for GED

Did you know?
Arapahoe Community College has been selected as one of 12 nationwide Plus 50 Champion Colleges by the American Association of Community Colleges (AACC).

ACC was selected for its continued involvement to promote the Plus 50 Encore Completion Program, a collaborative initiative involving 100 colleges designed to help 10,000 baby boomers get job training and earn certificates or degrees in healthcare, education or social services.

If you are interested in changing careers and/or going back to college to finish your degree, ACC is here for you.

Living Well and Learning More after 50!

Arapahoe Community College is dedicated to your success throughout your lifetime. That is why we are creating programs that can help you take on a new career, prepare for retirement, and keep connected with the latest trends on aging well.

Take an EdVenture with us. The courses listed below are designed especially for your life, your home, your work. Bring a friend or find others who are actively engaging themselves in learning. Create your community here!

• Break the Employment Barrier: Find a Job After 50
• Purpose, Passion and a Paycheck: What is your Encore Career?
• Make a Difference as a Social Entrepreneur
• Retirement Planning Today
• Improv for Fun and Awareness
• Wonders of the Cosmos
• You Can Draw!
• Watercolor Basics
• AARP Smart Driver
• Motorcycle Safety

And many more…you decide based on your interests. See you in class!
DRAWING, PAINTING AND MORE

WELDING

Welding For Art’s Sake
Cathy Hiat/Johnny Garcia
Our new and improved welding class is ready to introduce students to the tools and techniques used to create a welded art piece. Learn basic metal fabrication using a plasma cutter, oxyacetylene torch and MIG welder. With one on one instruction and guidance, choose from six pre-designed projects to create a unique metal sculpture. Cathy and Johnny are experienced metal artists and enthusiastic welding instructors with over 15 years of metal work experience. These classes are held at the Metal Shop, 3311 W. 71st Ave., Westminster.

Sat, May 27, 10 a.m.-2 p.m.  Metal Shop ARCR 1215M03-82442 $160, $30 material fee to instructor
Sun, May 28, 10 a.m.-2 p.m.  Metal Shop ARCR 1215M04-82443 $160, $30 material fee to instructor

Learn Copperplate Calligraphy, the style of writing found in the Declaration of Independence. Discover the joy of self-expression through this beautiful art form. Check out Evette’s website at www.prettywriting.com to see her work.

Thu, June 15-July 13, 10 a.m.-2 p.m., 5 wks  Littleton Campus ARCR 1102M01-59798 $109, $40 material fee to instructor*

PAINTING

Exploring Acrylics
Candace French
Explore mixing colors, brushwork, brush care, palette knife painting and more. Students will experience lectures, notes, demos and individual attention while painting. Composition and the five easy steps to jump start any painting and bring it to completion will be shared. Bring an image or photo that makes your heart sing! No experience necessary. Experienced hobbyists and artists welcome! Beginning students experience immediate success and established artists find these techniques help them loosen up their work. Supply list provided online. *(No class on Tuesday, July 4.)

Tue, June 13-July 18*, 6:30-9 p.m., 5 wks  Littleton Campus ARCR 1109M01-59824 $159

Pouring Color Into Your Art
Candace French
Join us in this exploration and create exciting effects while pouring color into your art. Students learn three unique approaches to pouring color. Work created is a completed work of art or a wonderful background to a layered artwork or collage. Expand your creative painting skills through pouring color. Candace’s approach to teaching is interactive, informative and inspirational. This class is for students of all levels. Beginning students experience immediate success. Established artists find these techniques help them expand their creativity. Supply list provided online.

Tue, Aug 8-15, 10 a.m.-noon, 2 wks  Littleton Campus ARCR 1100M01-59800 $159

Oil Painting for Beginners and Beyond
Valorie Snyder
A fun and comfortable class for beginners and comprehensive instruction for students of all levels. Learn about brushes, painting techniques and color theory. Choose your own subjects as you complete assigned exercises and progress at your own pace. Build on what you already know if you have painted before, or with more advanced exercises and fill in information you may have missed in previous art classes. Students often repeat this class, without repeating exercises already completed. Includes lectures, notes, demonstrations, and individual help. Note: This class requires the use of Gamsol Odorless Mineral Spirits (made by Gamblin Paints), rather than turpentine or other dangerous solvents. Supply list: Bring your usual supplies. Of the classic layered approach to painting introduced in that class. Required: black velvet watercolor brushes (#4 or #6 size); Suggested paint: Windsor + Newton Cotman watercolor paint (5ml tube size); Colors: cadmium red, lemon yellow, sap green, cobalt blue, burnt sienna; Paper: Arches 9x12 rough 20 sheet watercolor paper block, 10-Well round plastic palette, pencil, rag, and 12” ruler.

Tue, July 11-Aug 15, 7:30-9 p.m., 6 wks  Littleton Campus ARCR 1200M01-59509 $139, plus materials

Intermediate/Advanced Oil Painting
Valorie Snyder
Explore topics such as other painting approaches, advanced color mixing, composition, and various painting concepts. Repeat this class as often as you like to continue your artistic growth and take your art to the next level. Prerequisite: For students who have completed the Seven Color Study assignments in Valorie’s Beginning Oil Painting Class and who have a comfortable grasp of the classic layered approach to painting introduced in that class. Note: This class requires the use of Gamsol Odorless Mineral Spirits (made by Gamblin Paints), rather than turpentine or other dangerous solvents. Supply list: Bring your usual supplies. See Valorie’s blog for additional supplies and last minute updates at www.valoriesnyderart.blogspot.com. *$18 optional workbook fee to instructor.

Tue, July 18-Aug 22, 6-9 p.m., 6 wks  Littleton Campus ARCR 1205M01-58991 $149, plus materials*

Watercolor Basics
Brian Brennan
Learn to paint with watercolors. Explore the usage and application of watercolor paint. No art experience necessary. Discover how artists use the unique medium of watercolor to achieve beautiful light effects! Further supplies will be discussed at first class. Recommended: black velvet watercolor brushes (#4 or #6 size); Suggested paint: Windsor + Newton Cotman watercolor paint (5ml tube size); Colors: cadmium red, lemon yellow, sap green, cobalt blue, burnt sienna; Paper: Arches 9x12 rough 20 sheet watercolor paper block, 10-Well round plastic palette, pencil, rag, and 12” ruler.

Tue, July 11-Aug 15, 7:30-9 p.m., 6 wks  Littleton Campus ARCR 1200M01-59509 $139, plus materials

Painting and Color
Marjory Wilson
“There are no lines in nature, only areas of color, one against another” -Edouard Manet. Study how painting shapes of color, light and shadow create images, depth and movement. Mix colors and talk about how hue and value effect perspective, mood and other colors. Discuss subjects, styles and techniques to express your vision and spirit. This class is for all levels and all mediums.

Wed, June 14-July 12, 5:30-8:30 p.m., 5 wks  Littleton Campus ARCR 1198M01-59803 $139, plus materials

Creating Colorful Landscapes
Sidney Pitchford
Discuss and experience the creation of landscape composition. Learn how to mix beautiful vibrant colors to make your painting sing. Keep things simple and bring any reference material that is suitable for your style of painting. From the realistic to the more abstract – all perspectives are welcome. This course is interactive and fun for artists at all levels.

Fri, June 16-July 14, 1-3 p.m., 5 wks  Littleton Campus ARCR 1186M01-59805 $139, plus materials

JUMP into something NEW this summer!
Playful, Spontaneous Painting from Within
Joy Schultz
Explore, discover, open to and express your natural creativity. Learn how to use questions to stir your creativity, dissolve creative blocks and keep the inspiration flowing during all phases of the creative process. Practice trusting your own natural and limitless intuition, discover the unknown, take risks and express your uncensored self in a non-judgmental, non-goal oriented environment. Principles from Point Zero: Creativity without Limits, and Life. Paint and Passion by Michele Cassou will be shared through readings, video, and during the process of painting. I strongly encourage the use of high quality tempera paints for this class. Having a generous, luscious supply of ready to use paint and color is very conducive to this process. (Acrylics can work with some qualifications if you already have them). Supply list at http://www.joyofthenwork.com/art-classes.html. Please contact the instructor if you have questions. All levels of experience welcome.

Thu, June 15-July 20, 1:30-3:30 p.m., 6 wks Littleton Campus
ARCR 1206M01-59807 $149, plus materials

DRAWING
You Can Draw!
Brian Brennan
Learn to draw anything you see! Explore line, texture, tone, shading and shape. Discover how to “record” images onto your paper or canvas. Great observational drawing class for beginners. Advanced techniques reviewed for the experienced artist as well. Recommended first day of class supplies: Drawing pencil - HB #2 general usage wooden pencil, Strathmore Bristol 300 series drawing pad (100lb., 20 sheets smooth) 9x12. A more detailed supply list will be outlined at first class.

Thu, July 13-Aug 17, 7:30-9 p.m., 6 wks Littleton Campus
ARCR 1101M01-58223 $139, plus materials

COLLAGE
Exploring Collage
Candace French
Learn the unique approaches to tearing, cutting and pasting to create a collage work of art. Work with salvaged paper on a surface of your choice, and create a completed work of art or a unique background to a painting. Candace’s approach to teaching is interactive, informative and inspirational. This class is for students of all levels. Beginning students experience immediate success. Established artists find these techniques help them expand their creativity. Supply list provided online.

Tue, Aug 8-15, 1-4 p.m., 2 wks Littleton Campus
ARCR 1097M01-59795 $69, plus materials

Equine Training Industry and Management Certificate Program
Gain academic, technical, and professional skills while learning to establish safe, trusting, and responsive relationships with horses. Based on your interests, courses may be taken individually or as a series culminating in a non-credit professional certificate.

Damian Ficca, the lead instructor, is a Denver native who has worked horses throughout the western United States. He is one of a select group of individuals who specialize in traditional western training, with roots in the Spanish California and Nevada horse training methods.

All classes held on the Littleton Campus unless noted otherwise.

HOME BUYING AND SELLING
Home Buyer Basics
Judy Browne
Learn about the home buying process from start to finish. Start with a review of the current Colorado real estate market and cover a variety of topics, such as: describing your new home, choosing a real estate broker, what to look for when viewing homes, negotiating with sellers, understanding the home inspection process, understanding real estate contracts and forms, and knowing what to expect throughout the process. Leave the class with the information you need to be an informed home buyer!

Thu, June 22, 6-8 p.m.  Littleton Campus
INDS 1001M01-59789  $25/individual
INDS 1001M99-59791  $25/couples
Sat, June 24, 10 a.m.-noon  Littleton Campus
INDS 1001M02-59794  $25/individual

IMPROV

Try Your Hand at Improv Acting

Pam Roth O’Mara

Explore what improvisational acting is all about. If you’ve always wanted to “try it,” this class is for you. Starting with warm-up exercises that allow you to become comfortable with the others in the class we then move into games and techniques that give you a general understanding of improv. This class makes a great date night! And, you can learn more about improv by taking the Improv Camp for Growups.

Wed, June 7, 6:30-8:30 p.m.  Littleton Campus
ARCR 1167M01-59813  $29

Improv Camp for Growups

Pam Roth O’Mara

It’s summer - time for fun! Whether you’re an artist, author, musician, manager, engineer, administrator, performer, retiree, student, or all of the above, this class will help you improve your ability to really see what’s around you and respond to whatever life throws at you. Each class begins with warm-up exercises, and gradually guides you through improvisational acting methods, techniques, and styles. Led by Pam Roth O’Mara, artist, author, performer, and park interpreter, you’ll learn how to invent characters and put them into interesting scenes. And, you’ll have fun and meet new people.

Thu, June 15-July 27, 6:30-8:30 p.m., 7 wks  Littleton Campus
ARCR 1169M01-59828  $159

Improv Date Night

Pam Roth O’Mara

Try improv acting! We know you’re looking for a different kind of date night. This two-hour session starts with warm-up exercises that allow you to become comfortable with the others in the class, then we gradually move into games and techniques that give you a general understanding of improv acting. Learn how to invent characters and put them into interesting scenes. Sign-up for one or both one-evening sessions.

Wed, June 28, 6:30-8:30 p.m.  Littleton Campus
ARCR 1170M01-59815  $29

Wed, July 12, 6:30-8:30 p.m.  Littleton Campus
ARCR 1170M02-59816  $29

Improv Playtime

Pam Roth O’Mara

Flex your improv muscles! You know how to create characters and put them into scenes and now you are ready to take your improv skills to the next level. Learn how to keep scenes interesting, move in and out of scenes gracefully, create complex scenes with three or more characters, and bring scenes to their natural end. Requires participation in a previous ACC Community Education improv class, or instructor approval.

Wed, Aug 9, 6:30-8:30 p.m.  Littleton Campus
ARCR 1171M01-59817  $29

ASTRONOMY

Wonders of the Cosmos

Michael Carroll

The cosmos teems with glowing nebulae, spiraling galaxies, and amazing worlds. Come along with space artist and science writer Michael Carroll on an entertaining journey through the cosmos. Learn the most up-to-date discoveries about the wanna-be planet Pluto, the asteroid Ceres, mysterious comets, and water on Mars. Explore the possibilities of life on planets orbiting distant stars, many of which we can now study in some detail. Bring a lunch, sit back, and celebrate the Universe! Ages 12 to adult.

Sat, Aug 5, 10 a.m.-2 p.m.  Littleton Campus
PERS 1012M01-59730  $39, $10 material fee to instructor

Finding Life in the Solar System

Michael Carroll

Explore the worlds around us with the goal of figuring out where we might find life as we know it. Survey the weirdest life on Earth, like microbes found in the hearts of volcanoes and critters that can survive in nuclear powerplants. Then we’ll travel through the planets and moons looking at a bit of their history and their habitability. We’ll conclude with a class survey focusing on where you bet there is life. Mars? Europa? Titan? Come join the cosmic fun!

Wed, July 26, 6-9 p.m.  Littleton Campus
PERS 1013M01-59732  $29, $5 material fee to instructor

GENEALOGY AND HERITAGE

Genealogy 101: An Introduction to Finding your Roots

Bert Paredes

Discover effective techniques for researching your family tree. Explore the best collections of free online data and local resources. Discuss the US census, the right software, and other tools to help you organize and preserve your information. Connect with others who have the same research interests and can provide invaluable assistance in your searches.

Wed, June 21, 6-9 p.m.  Littleton Campus
PERS 1057M01-59829  $59, $3 material fee to instructor

German Genealogy

Bert Paredes

Learn the basics of tracing your German roots. Discuss the unique challenges of researching German records and how best to overcome them. Discover how to find and understand useful records and reference information without actually knowing German. An overview of the best online sources for German genealogy information will prepare you to succeed in your quest.

Tue, Aug 15, 6-9 p.m.  Littleton Campus
PERS 1058M01-59729  $59, $3 material fee to instructor

MOTORCYCLES

Courses will follow the Motorcycle Safety Foundation curriculum and are taught by instructors from ABATE of Colorado. For all motorcycle classes, helmets, full-fingered gloves, long-sleeved shirt, long pants, eye protection, as well as sturdy, over-the-ankle shoes are required for all riding sessions. Loaener helmets are available for use in the class. Pre-registration and prepayment are required. Courses meet on many weekends at Arapahoe Community College. Students who do not cancel within 48 business hours of the course will not receive a tuition refund or date transfer. For class schedule, availability and to register, visit www.abateofcolo.org or call ABATE at 303-789-3264.

DRIVING

AARP Smart Driver

This classroom course helps drivers, 50 years and older, refine existing skills and develop safe, defensive driving techniques. Pre-registration is required. You may be eligible for an automotive insurance discount by successfully completing this class.

Sat, July 15, 9 a.m.-1 p.m.  Littleton Campus
SENK 1001M01-59541  $15/AARP member or $20/AARP non-member paid to instructor

ACT Math Exam: Improve Your Scores
Prepare yourself for a successful ACT test score. Discover how this exam is structured. Complete and score actual problem types found on the test and develop math skills that will help you better prepare for taking this test. Fee includes a workbook from the National Association of Secondary School Principals. (Grades 8-12 or younger with permission of instructor)

Mon-Fri, July 31-Aug 4, 10:45-12:15 p.m.  ACC Annex
YTHC 1256M01-59879 (grades 9-12)  $109, includes workbook

SAT English Exam: Improve Your Scores
Our SAT Prep course is designed to introduce and enrich the skills needed to score highly on the SAT critical reading and writing section.

Mon-Fri, July 24-28, 12:45-2:15 p.m.  ACC Annex
YTHC 1255M01-59880 (grades 9-12)  $109, includes workbook

SAT Math Exam: Improve Your Scores
Our motto is “control the test” and don’t let the test control you. During this session we cover over 50 math concepts in Arithmetic, Algebra, Geometry, and Probability and test taking strategies. During each session Student will be given 40 SAT words to do at home.

Mon-Fri, July 24-28, 10:45-12:15 p.m.  ACC Annex
YTHC 1257M01-59881 (grades 9-12)  $109, includes workbook

S.T.E.M. ACADEMY

Teens Tackle Technology Boot Camp
What IT career is suited for you? Join industry experts for in-depth training. This intensive exploration focuses on Business Analyst, Software Development, Software Testing, UAT Project Management careers. Discover and experience core roles of the lucrative and in demand IT careers. Every day challenges you with hands-on problem solving activities around the core roles and functions of each career path. On Friday, students will present completed projects and parents and students will understand suitable IT roles based on instructor assessment of each student. Register by July 5 as seating is limited.

Mon-Fri, July 10-14, 8-5 p.m.  ACC Annex
YTHC 1169M01-59882 (grades 9-12)  $399

Be a Math Master:
Conquer fractions, decimals and percents. Gain confidence with these everyday math skills. Review and learn arithmetic, conversion, and problem solving techniques. This is a good class to take before Pre-Algebra or as a math review.

Mon-Fri, July 31-Aug 4, 2:30-4 p.m.  ACC Annex
YTHC 1212M01-59883 (grades 6-8)  $79

The Einstein Way I: Pre-Algebra I
Get your math juices flowing and be ready for a new school year. Review and learn signed numbers, percents, fractions, order of operations and much more. Leave this class feeling successful and ready for next year’s Pre-Algebra, Algebra-Saxon, or Algebra. This is a good class to take in conjunction with Pre-Algebra II.

Mon-Fri, July 24-28, 9:10-30 a.m.  ACC Annex
YTHC 1213M01-59884 (grades 6-8)  $79

The Einstein Way II: Pre-Algebra II
Are you feeling like you need more Pre-Algebra before you tackle Algebra next year? Introduce yourself to negative numbers, two-step equations, graphing and solving inequalities. Learn how to simplify polynomials and do factoring. This is a good class to take in conjunction with “Pre-Algebra I”.

Mon-Fri, July 31-Aug 4, 9-10:30 a.m.  ACC Annex
YTHC 1214M01-59885 (grades 6-8)  $79

Be an Einstein! Pre-Algebra I and II Combo
This is a general consolidated Pre-Algebra I and II. This is the perfect class to gain more experience and practice using what you learned in previous classes. Get ready for a new school year and freshen up those math skills!

Mon-Fri, July 31-Aug 4, 10:45-12:15 p.m.  ACC Annex
YTHC 1145M01-59886 (grades 6-8)  $79

Algebra I
This is your review before Algebra II. Review inequalities, linear and quadratic equations, slopes, polynomials, expansion, functions and radicals. Bring a calculator (optional).

Mon-Fri, July 31-Aug 4, 2:30-4 p.m.  ACC Annex
YTHC 1258M01-59887 (grades 9-12)  $79

Design a Web Page Your Way
Create a web site that people will want to visit. Learn to use Flash and many free programs to enhance your site. Learn about colors, text tricks and more to make your website pop with dynamic animations, rollovers and other tricks that will give your website pizzazz. Bring a flash drive.

Mon-Fri, July 17-21, 9-noon  ACC Annex
YTHC 1081M01-59888 (grades 6-8)  $179

Mon-Fri, July 24-28, 9-noon  ACC Annex
YTHC 1081M02-59889 (grades 6-8)  $179

Rockets and Rocketry
Want to design, build, and fly your own model rocket? You will see and learn how mathematics explains the world of rockets and aerospace through simple lessons in Newtonian physics and rocket flight. Learn the laws of rocket stability, fluid dynamics, and aerodynamics. You will study stable rocket flight designs and ultimately design your own flight vehicle. Get prepared to launch your own rocket!

Mon-Fri, July 17-21, 9-noon  ACC Annex
YTHC 1235M01-59881 (grades 4-8)  $199, includes rockets
Mechanics on the Move: Robotics I and II
Discover the world of robotics. Learn about the history and mechanics of a programmable robot. Discover how robotics is used in some of the most prominent industries of auto, space, and more. Build your own robot, which is a sound, and touch sensitive robot meaning if it hits something or hears a loud sound it will turn and proceed forward. Brainstorm what the robots of the future will create. Bring: small needle nose pliers, Phillips screwdriver, and 2 AA batteries. Each week, a different robot is built.

Robotics I
Mon-Fri, June 26-30, 9-noon
YTHC 1238M01-59890 (grades 6-8) $199, includes robot
ACC Annex

Robotics II (new robot this week)
Mon-Fri, July 10-14, 9-noon,
YTHC 1172M01-59891 (grades 6-8) $199, includes robot
ACC Annex

Robot Boot Camp with Sphero
Have you seen the new robotic toy, Sphero? With this little robotic ball of fun, you will be able to fuse together skills like programming physical robotic toys, digital apps and entertainment experiences! Become a real life engineer in this interactive camp! Includes Sphero. Registration limited and required by July 17.

Mon-Fri, July 31-Aug 4, 9-noon
YTHC 1171M01-59892 (grades 6-9) $299, includes a Sphero robot
ACC Annex

Junior Engineer Academy: Build with Legos!
Let your imagination run wild with LEGO®, Build engineering designed projects such as boats, bridges, and more. Use special pieces to create a unique design. Explore the endless creative possibilities of the LEGO building and apply simple machine structures.

Mon-Fri, July 10-14, 1-4 p.m.
YTHC 1181M01-59852 (grades 4-6) $179

Mon-Fri, July 24-28, 9-noon
YTHC 1181M02-59853 (grades 4-6)

CULTURAL AND CREATIVE ARTS ACADEMY
Drawing for Comic Books and Manga Drawing
Discover storytelling conventions utilized by professional illustrators. Continue into advanced studies of comic book composition, perspective, movie storyboarding, and figure drawing. Explore the rich Japanese art form of Manga/Anime and learn how to draw in the dynamic Anime/Manga style. Supplies to bring: pencil, 11”x14” drawing paper, pen and ruler.

Mon-Fri, July 17-21, 1-4 p.m.
YTHC 1250M01-59896 (grades 6-8) $169

Cartooning
Learn how your imagination comes alive with cartooning! Discover the methods of drawing behind cartooning and animation. Create your very own character as you discover how to convey shape and color, action, humor and style! Bring: drawing paper and pencils to class.

Mon-Fri, July 10-14, 1-4 p.m.
YTHC 1218M01-59897 (grades 6-8) $99

Video Game /Concept Art
Attention artists and future game and movie designers! Apply your art to one of many fields in the video game industry! Learn advanced digital painting techniques using Photoshop, and bring your imagination into the digital world. Character design, storyboarding, and concept art are all specializations within the game and movie industry that you will train for. Design and produce compelling art and apply it to your chosen context. No Photoshop experience required. General computer and drawing experience is helpful. Bring sketch or drawing paper, pencils, pen and ruler. If available, bring two or three art pieces to use in class.

Mon-Fri, July 24-28, 1-4 p.m.
YTHC 1079M01-59893 (grades 7-12) $169
ACC Annex

Meet the Makerspace and Get Making!
ACC has joined the makerspace movement! Get creative in our brand new makerspace this summer! Learn to use the 3D printers, laser cutter, and CNC router through a variety of open-ended projects that will spark your imagination. Learn design principles and theories while working with hands-on projects.

Mon-Fri, July 31-Aug 4, 1-4 p.m.
YTHC 1065M01-59894 (grades 7-12) $99

COURSE CANCELLATION/CHANGES:
We reserve the right to cancel a course or change the date, time, and/or location. We will call you if a course has been canceled or if there is a course change. Courses may be canceled if there is insufficient enrollment, so please remember to register early.

IF A CLASS IS CANCELLED:
We are now offering “Mosaic Edventures,” –an overall skills enrichment class. This includes center-based learning using a variety of content and learning experiences for your student should a class be cancelled and your student does not choose to enroll in another class.

DROPS AND REFUNDS:
To drop a course and receive a refund, call the Community Education Program Office, 303-797-5722 by noon the Wednesday before the class begins. Refunds will not be made after that time.

Dates for a refund are:
Classes beginning June 26 must be notified by June 21
Classes beginning July 10 must be notified by July 5
Classes beginning July 17 must be notified by July 12
Classes beginning July 24 must be notified by July 19
Classes beginning July 31 must be notified by July 26

LUNCH BUNCH:
Lunch Bunch offers noontime supervision for elementary-age kids staying on campus between morning and afternoon classes. The fee for this supervision is $15, and you furnish the lunch. You must register for this option if your child attends morning and afternoon classes.

Supervised Lunch - Bring Your Own Lunch
Mon-Fri, noon-1 p.m., June 26-30
YTHC 1275M01-59174

Mon-Fri, noon-1 p.m., July 10-14
YTHC 1275M02-58272

15653 Brookstone Drive, Parker, 80134 (Lincoln and Chambers)

ACC CASTLE ROCK ROCK CAMPUS
Castleton Way, Suite 100 Castle Rock, CO 80109

ART & DESIGN CENTER
2400 West Alamo Street, Littleton, 80120
Littleton Boulevard to Prince, south on Prince. The center is on the SW corner of Prince and Alamo in Downtown Littleton.

OTHER LOCATIONS
Addresses for other locations are indicated with the class information.

OFFICE HOURS
Our office hours are Monday through Friday 8 a.m.-5 p.m. However, you can contact us through voice mail and e-mail 24 hours per day. We will contact you during our office hours.

POLICIES/OTHER INFO

BOOKS AND MATERIALS
Some courses require a textbook. You may contact the ACC Bookstore at 303.797.5676 for more information or click on the book material link on the Community Education home page. Bookstore is located on the first floor of the main campus building. Some courses require a material fee which is payable to the instructor. This helps cover the cost of supplies, extra printing, insurance, or other items. Information regarding material fees is included with the course description.

VISION/MISSON
The Community Education Program strives to develop and provide creative, innovative programs, courses, and services for lifelong learners to meet personal and professional goals.

ACCOMMODATION
Reasonable accommodation will be provided upon request for people with disabilities. If you are a person with a disability who requires an accommodation to participate in the program, please notify the Community Education Program, 303.797.5722, a minimum of 30 days prior to the starting date of the course.

SELF-SUPPORTING PROGRAM
The Community Education Program at ACC receives no state tax monies. It is totally self-supported by your enrollment fees.

DRUG AND ALCOHOL PREVENTION PROGRAM
Information and policies are available on the Web site and in the ACC Student Life Office, Room M2820. ACC supports the efforts of local, state and federal governments in promoting a drug free America, pursuant to Public Law 101.

EQUAL OPPORTUNITY
ACC does not discriminate on the basis of race, sex, creed, color, age, national origin, sexual orientation, religion, veteran status or individual disability, in admission or access to, or treatment or employment in, its programs and activities. Inquiries concerning Title VI, Title IX, and Section 504 and the Americans with Disabilities Act may be referred to the Human Resource Office, 5900 S. Santa Fe Drive, Room CSB 1005, Littleton, CO, 80160, Phone 303.797.5724, or the Office for Civil Rights, U.S. Dept. of Education, 1961 Stout Street, Denver, CO, 80294.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT
ACC complies fully with FERPA, which affords students certain rights with respect to their education records, including protecting the privacy of, and insuring the right to inspect and review, the records. More information is available in the Office of Admissions and Records, Room M2470.

CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT
The Clery Act report is available on the ACC Web site or in the Campus Police Office, Room M2600. A list of sexual offenders in the area can be obtained through the Littleton Police Department.

WHO MAY ENROLL?
Anyone over 18 years of age may enroll in courses. High school graduation is NOT necessary. Students under the age of 18 may enroll in some courses with some restrictions and permission of the instructor prior to the start of a course unless noted otherwise. Younger students should refer to offerings in the Youth College section of the schedule. Any other exceptions are noted in the course description.

STUDENT RIGHTS, FREEDOMS AND RESPONSIBILITIES
Through its procedures, Arapahoe Community College (ACC) ensures the rights of all its students to pursue their educational objectives. The ACC community includes students who are enrolled in ACC courses for credit or non-credit courses, including Community Education courses. The ACC community also includes faculty, staff, administrators and guests.

A student is subject to two sources of authority: College authority and civil-criminal authority. ACC also expects students who are enrolled in specialized programs to follow the standards specified in their respective program handbooks (e.g., Nursing, Law Enforcement Academy and Emergency Medical Technician).

Judicial processes, including code of conduct, academic misconduct statement and grievance procedures are stated in the ACC Student Handbook. The Handbook is available online. An alternate format of the Student Handbook can be obtained through the Student Life Office, Room M2820. For answers to specific questions, contact the Associate Dean of Judicial Affairs and Support Services.

ROOMS
Room assignments for classes held at the ACC campus will be included with your parking permits. If there are any changes, we will contact you by phone or e-mail.

PARKING-LITTLETON AND PARKER CAMPUSES
Temporary parking permits are required to park in the ACC Littleton and Parker lots. A permit will be e-mailed to you, valid for the time you attend class. It is imperative that you display the temporary permit on your dashboard; otherwise you will be ticketed. If you do not receive a permit, park on the side streets around the campus. On the Littleton Campus, short-term parking is available on selected side streets around the College for either two or four-hour time limits. Make note of the time limit signs for these designated spots. Permits will not be required for these parking spaces; however, parking limits will be strictly enforced and you will receive a ticket if you are in violation.

RTD LIGHT RAIL
Light rail service is provided within 1 block from the Littleton Campus at the Littleton Downtown Station.

REGISTRATION TIPS AND PAYMENTS
We do not pro-rate course tuition and/or fees for late registrations. We cannot guarantee enrollment in every course until your registration is processed. Some courses are limited in size, so we encourage you to register early. Note that payments you make, either by check or credit card, may take a couple of weeks to appear on your financial statements. You are required to meet any financial obligations to ACC for any class for which you enroll and pay. If a payment is returned due to insufficient funds or incorrect credit card information, a college representative will contact you via phone and email. If ACC is unable to secure your payment in a timely fashion, your account will be sent to state collections. The full agreement can be found at arapahoe.edu/comedagreement.

CONFIRMATIONS
CONFIRMATIONS ARE NOT SENT SO PLEASE MARK YOUR CALENDARS WITH COURSE DAYS/DATES/TIMES/PLACE. However, if there is a change in your course status or a course is canceled, we will call you.

COURSE CANCELLATION
We reserve the right to cancel a course or change the date, time, and/or location. We will call you if a course has been canceled or if there is a course change. Courses may be canceled if there is insufficient enrollment, so please remember to register early.

REFUNDS
To drop a course which meets a minimum of three sessions and receive a refund, call the Community Education Program Office, 303.797.5722 the day following the first session, except for computer courses which must be dropped 24 hours prior to scheduled date. ABSOLUTELY no refunds will be made after that time. To drop a course which meets two sessions or less and receive a refund, call the Community Education Program Office, 303.797.5722 no later than 24 hours prior to the scheduled date. ABSOLUTELY no refunds will be made after the course has been held. Some courses have special refund policies. That information is included with the course description.

IF YOU PAY BY CHARGE/CREDIT CARD, you are eligible for a refund back to the original card provided the card is still valid and the payment is not over 184 days old.

IF PAID BY CHECK, REFUNDS WILL BE SENT IN THE FORM OF A CHECK FROM THE STATE OF COLORADO. Refunds are sent to the person who is registered for the course, which may differ from the person who paid for the course, unless other arrangements are made. DO NOT STOP PAYMENT.

IF WE CANCEL A CLASS, a full refund will be sent to you via a check if you paid by a check or refunded to your credit card if you paid using a credit card. Refunds may take up to 2 weeks to be processed.

TEACHERS NEEDED
The Community Education Program is looking for teachers in Arapahoe, Douglas, and southern Jefferson counties in certain languages, arts and crafts, and leisure activities. Send a cover letter, resume, and overview of the course you feel qualified to teach to Arapahoe Community College, Community Education Program, 5900 S. Santa Fe Drive, Littleton, CO. 80120 or submit your proposal through our web site at www.arapahoe.edu. Click on Community Education.

REGISTRATION INFO

ONLINE
It’s fast, secure, easy, and no waiting for phone calls to be returned when our office staff is busy!
Register online at arapahoe.edu/communityed. Use the shopping cart feature which links to our secure registration page.

MAIL IN
Send the registration form, along with a check payable to Arapahoe Community College or your credit card number and expiration date. DO NOT SEND CASH. Mail to Community Education Program, 5900 S. Santa Fe Drive, Littleton, CO 80120.

WALK IN
Visit our office, A1215 in the Annex Building, in the NE corner by the tennis courts, Monday-Friday, 8 a.m.-5 p.m. Register with check or credit card (MasterCard, Visa, American Express or Discover). You may also leave your registration in the drop box on the Community Education Program office door anytime the college building is open, Monday-Sunday. We do not accept cash.

PHONE IN
For credit card registration only, call 303.797.5722 or 303.797.5608 Monday-Friday, 8 a.m.-5 p.m. If our line is busy, leave us a message. We will return your call as soon as possible, usually the same business day. We want to give you the same amount of time on the phone as we do our other customers, so please be patient. After 5 p.m., you may leave us a message on our 24-hour voice mail system. We will return your call the next business day.

RELAY COLORADO
Call the ACC TTY 1.800.659.2656

COLLEGE CLOSURE
Courses held at the public schools will follow public school closure postings. Courses at other locations will follow the College’s closing schedule. Check 303-797-4222 for the College’s closure status. Call the ACC website. Additionally, listen to local radio and television stations.

REMINDERS

Parking Permit and Location Information
For classes held on an ACC campus, we will e-mail the parking permit / location information a few days prior to class.
Go to arapahoe.edu/communityed or see opposite page for other class locations.

Textbook and Supply Information
Textbook and supply information can be found on our website arapahoe.edu/communityed. Click on Books, Supplies, Materials.

**JUMP into something NEW this summer**

“Here is a summertime truth: abundance is a communal act, the joint creation of an incredibly complex ecology in which each part functions on behalf of the whole and, in return, is sustained by the whole. Community not only creates abundance – community is abundance. If we could learn that equation from the world of nature, the human world might be transformed.” Parker Palmer

This summer Arapahoe Community College is inviting you to jump into the abundance of community lifelong learning. It is the perfect time of the year to engage with something new and to meet new people. Here are our new classes for summer. We look forward to welcoming you on campus soon!

- Creating Colorful Landscapes
- Nine Essential Skills for Love and Logic in the Classroom
- French Special Topics: French Movies
- Creating an Artistic Eye
- Keep the Doc Away – Your Introduction to Herbal Remedies
- Playful, Spontaneous Painting from Within
- Chapter One: The Beginning of the Journey
- Finding Life in the Solar System
- Improv Camp for Grownups
- Painting and Color
- Summer Reading Workshop: Partner with Your Child in Reading
- Improv Date Night

**Build Your Desired Future – Register Today for the Midlife Milestones Program**

Midlife Milestones is a personal and professional development program designed for individuals who are in the middle of their life journey and want to build upon their experience in order to shape and prepare for their desired future. This program provides an opportunity to develop and sharpen the skills needed to navigate successfully in today’s world as well as designated time and space for personal reflection, renewal and planning.

**Key Takeaways**
- Meet new people and build your resource network
- Develop a personal success plan
- Create your “elevator” speech
- Take time to focus on the best of you
- Develop your work-based and technology skills
- Build your professional image

The program is comprised of 5 sessions held at the Littleton Campus and qualifies for 3 CEUs.

- **Session 1** August 25 from 6 - 8pm
- **Session 2** August 26 from 8:30am - 4pm
- **Session 3** September 9 from 8:30am - 4pm
- **Session 4** October 7, 8:30am - 4pm
- **Session 5** November 4, 8:30am - 4pm

For detailed information and to register go to [www.arapahoe.edu/communityed](http://www.arapahoe.edu/communityed) or call 303-797-5722. The registration deadline is Friday, August 18. Program registration fee is $595.
