

FALL 2017 CCR 094 and ENG 121 linked course options

If your college placement test scores place you into either CCR 093 or 094, you have the option to take CCR 094 Studio 121 along with ENG 121 English Composition I. CCR 094 offers you opportunities to supplement, extend and expand the work you do in ENG 121. Students will discuss and prepare for the writing tasks of ENG 121 while learning and practicing the skills needed to succeed as college writers. These courses are linked in pairs so everyone in your CCR 094 class will also be in your ENG 121 composition class.

Discuss this option with an Academic Advisor to see how it works with your planned academic program. After advising, you will register for the CCR 094 and ENG121 course by following the instructions below:

1. **In the MyACC Student Tab, select “Look Up Classes” in the “Registration Tools” section**
