MedicareSupplementalInsurance.com Therapy Professionals Scholarship

Who Can Apply: See 'Enrollment Requirement' below

Application Deadline: December 15, 2012 (Awarded Annually)

Minimum GPA Required: 3.0

Amount of Award: $1,000

Description: Medicare Supplemental Insurance is pleased to offer scholarships in support of disability awareness. Every year, a prospective or current college student will be selected to receive a $1,000 scholarship to help with the costs associated with attending school.

Qualified applicants are welcome to submit an essay of 500-1000 words detailing what they hope to achieve throughout their time in a therapy related career. Applications will be collected and read by a panel comprised of members of the editorial staff of MedicareSupplementalInsurance.com, and one winner will be selected annually. The award will be distributed at the beginning of the winter quarter, on January 15, 2013.

Applications are being accepted from any interested, qualified persons. If you are currently enrolled in a therapy related educational program, you are eligible to apply for the scholarship.

If you wish to apply, please review the application requirements and submit all information to scholarship(at)MedicareSupplementalInsurance.com

Enrollment Requirement:

(1) Applicants must be any person 17 years of age or older who demonstrates interest in physical, massage, recreational, or occupational therapy or psychology professions and is interested in attending a related program, undergraduate, graduate, or accredited training program at an accredited institution of learning within the United States. (2) Applicant must use scholarship award for a related program as outlined above within an accredited institution within the United States. (3) Applicant must be either a citizen of the United States of a foreign student with a valid United States Student Visa. (4) Applicant must have a minimum GPA of 3.0, based on the previous year's academic performance. (5) Students enrolled in any mental health therapy (psychology, psychiatry, etc) or chiropractic program are eligible to apply. (1).
